OUR SALESFORCE SOLUTIONS ARE

Disrupting the way organisations operate

Who we are?

We are 55 team members spanning across four European countries with 100+ years of Salesforce experience between us. We are made up of entrepreneurs, founders, developers, lawyers and former 'start-uppers'. We've experienced the challenges of scaling a fast-growing company first hand, which is why we believe we're best equipped to help your company evolve.

Our Customers

treatwell

"From the moment we engaged with EMPAUA we found them to be open, driven and courageous - all of which are our own company values - and soon developed huge trust in them and their approach".

We have worked with partners before, and we have never worked with people whom we believe are geniuses. We don't see EMPAUA as a separate team from our business; they are part of it.

We ensure that your Salesforce is reaching its optimum potential
