

Together with Extell and 555TEN, Throw Me A Bone is proud to offer an exclusive full-service pet care amenity that includes an on-site daycare facility for group play sessions, a full grooming spa, and a veterinary clinic for those occasional sick days or check-ups. Agility courses, training boot camps, and community events round out the enrichment and fitness experience.

Along with the facility, Throw Me A Bone's team will provide door to door dog walking services, in-home puppy visits, cat sitting, overnight stays and dog training! Rest assured that Throw Me A Bone and their team of dedicated pet care specialists will be there to meet all of your pet's needs, with a personal touch.
