Details of objection continued... (select *box or boxes*)

I give notice that I object to the production of some or all of the documents to the Court for the following reasons: *(attach extra page if insufficient space)*

1. The subpoena requires me to produce a confidential document consisting of communications between the objecting party and their lawyer for the dominant purpose of being provided with legal advice.
2. I object to the subpoena because these documents are subject to legal privilege.
3. These documents were created for the purpose of me receiving legal advice in these proceedings, therefore attaching client/legal privilege. The privilege outweighs the requirement to produce these documents.

I give notice that I object to the inspection / copying of some or all of the documents produced for the following reasons: *(attach extra page if insufficient space)*
