jjacobsen@vieirarezende.com.br

Contributes to the team with Norwegian Offshore practice know-how.

Practice Area

Oil, Gas & Offshore

Professional Background

Joyce advised a number of Brazilian and foreign oil companies, shipowners and banks on new construction, offshore unit financing and purchase, offshore bidding, as well as disputes involving shipbuilding contracts and offshore unit seizures in Brazil.

Joyce contributes to the team with Norwegian know-how of offshore practice and helped build a competency in Vieira Rezende that no other law firm in Brazil has. Fluent in Norwegian, she remains a strong link between Alliance companies.

She worked at the Norwegian law firm [Wikborg Rein](#) as Senior Associate in Shipping & Offshore, Oslo (2008 - 2011).

Recognition

Joyce is recognized among the leaders in her practice area in Brazil, by the **Chambers Global** guide, in the "Energy & Natural Resources: Oil & Gas" and "Shipping" categories and by the **The Legal 500**, in the "Energy and Natural Resources: Hydrocarbons" and "Shipping".

Education

Bachelor of Law from Universidade Federal do Rio de Janeiro (UFRJ).

Master's degree in Maritime Law from University of Oslo, Norway.

Languages

English, Spanish and Norwegian.
