**“Vieira Rezende has a long history and excellent reputation for oil and gas work in its home market of Rio de Janeiro.”**

*LATIN LAWYER 250*

**The Oil & Gas group** is divided in E&P; Offshore and Shipping and has a broad and successful track record assisting different operations and projects in the O&G industry; working in close cooperation with other practices of the Firm.

**The E&P team** focuses on advising IOCs and NOCs participating directly in the activities of exploration and production in Brazil, either through bidding rounds sponsored by the Brazilian Petroleum Regulatory Agency (ANP) or through farm-in/farm-out transactions (due diligence, negotiation of SPA and JOA).

**The Offshore team** focuses on clients such as manufacturers of offshore equipment and providers of offshore services in general, including owners of supply vessels and offshore units, such as FPSOs and drilling rigs, and banks financing the construction of offshore units/vessels as well as investment funds participating in companies involved in the Oil & Gas supply chain.

**The Shipping team** assists clients such as ship owners, shipyards, P&I Clubs, shipping companies, port terminals and operators in consultancy and contractual matters, emergency response and litigation.
