

IGNITE SCHOOL OF MINISTRY

Dear Ignite School of Ministry Students,

We are so excited to begin our 2019-2020 academic year at Ignite School of Ministry. The Lord has been doing great things through this ministry for the last 11 years. In 2017 we launched our first satellite campus in Phoenix, Arizona. We are excited to announce this year we are launching a satellite campus in New Rochelle, New York. In addition, our students continue to be developed and launched into full time ministry as well as the market place. We've had the privilege of training and cultivating skilled individuals to advance their opportunities within roles for ministry and the market place as well as candidates for various master programs.

Considering the many exciting ventures and opportunities that our students will be participating in, Ignite School of Ministry has applied a tuition increase of 11%. With this increase, our students will be serving as student leaders, traveling to serve in our newly established satellite campuses and receiving a great amount of opportunities to develop ministry strengths, administration and leadership.

We appreciate your understanding. Should you have any questions please feel free to contact Maria Godinez, our Finance Officer, at 813.495.2458 MGodinez@ignite.org

Thank you and God Bless.
