

IGNITE SCHOOL OF MINISTRY

Dear Ignite School of Ministry Students,

We are so excited to begin our 2020-2021 academic year at Ignite School of Ministry. The Lord has been doing great things through this ministry for the last 11 years. In 2017 we launched our first satellite campus in Phoenix, Arizona. In 2019 we launched our second satellite campus in New Rochelle, New York. In addition, our students continue to be developed and launched into full time ministry as well as the market place. We've had the privilege of training and cultivating skilled individuals to advance their opportunities within roles for ministry and the market place as well as candidates for various master programs.

With the exciting news that we have officially partnered with Valley Forge University, Ignite School of Ministry has applied a tuition decrease of 12.78%. This decrease will allow our students to continue serving as student leaders, traveling to serve in our newly established satellite campuses and receiving a great amount of opportunities to develop ministry strengths, administration and leadership.

We appreciate your understanding. Should you have any questions please feel free to contact Azael Nunez, our Phoenix Arizona Director, at 862.290.0176 Anunez@ignite.org

Thank you and God Bless.
