

SHAMROCKIN'

Vanilla Almond Milk, Matcha Green Tea, Mint, Chocolate & Vanilla Protein

PROGRAM: RETAIL SUPPLEMENTS

Add an additional profit center to your business by selling the same supplements that you offer at the Shake & Smoothie Bar to your customers for use at home. They trust you and you trust PFC, so help them get the best for themselves and their entire family. They're going to get them from somewhere, they may as well get them from you!

OPERATIONS TIP

Not sure when to hand out samples? Have a tray of sample cups waiting for the end of a group class; this is a great way to hit a variety of people who need to refuel and recover after a workout anyway!
