

PROTEIN PUCKS

The first priority for PROTEIN PUCKS was to create a whole food, plant-based energy product that helps people be a little bit better in the passions they pursue each day.

In addition to being downright delicious, their all-natural approach led to PROTEIN PUCKS being a product that nourishes human achievement. Know that they hold the following standards:

- REAL, SIMPLE INGREDIENTS
- 13-17g PLANT-BASED PROTEIN
- NON-GMO, GLUTEN-FREE & VEGAN
