

## STAY ATTACHED TO YOUR ATTACHMENTS.

- Attachments go missing on a monthly or even weekly basis, ranging from \$20k–\$100k+ in annual loss. No worries... We have FIXED this problem.
- Introducing the TACTICAL ASSET CAGE™ (T.A.C.™) – an easy, durable, and cost effective solution
- This structural steel “cage” pairs with a compact LTE asset tracking device that has been extreme element tested to ensure reliability and signal strength
- The battery is easily replaceable and has an estimated 3 to 5-year life.
- Pings 2x a day
- Testing:
  - G-shock vibration up to 30 G's
  - 1 meter drop
  - -30° F cold test
  - 136° F heat test
  - Full submergence in water and dirt
