Invesco CoinShares Global Blockchain UCITS ETF (the "Fund") A sub-fund of Invesco Markets II plc (the "Umbrella Fund") Acc (ISIN: IE00BGBN6P67) (the "Share Class")

The Fund is managed by Invesco Investment Management Limited, part of the Invesco Group.

Objectives and Investment Policy

- The Fund is a passively managed Exchange-Traded Fund (ETF), which aims to track the Net Total Return performance of the CoinShares Blockchain Global Equity Index (the "Index")¹.
- To achieve the investment objective the Fund will, as far as possible and practicable, hold all the shares in the Index in their respective weightings.
- To replicate the Index, the Fund may invest up to 20% of its Net Asset Value in shares issued by the same body, and up to 35% in exceptional market circumstances.
- The Fund's shares are listed on one or more Stock Exchange(s). Generally, only Authorised Participants may subscribe or redeem shares directly with the Fund. Other investors can buy or sell shares daily through an intermediary directly or on Stock Exchange(s) on which the shares are traded. In exceptional circumstances other investors will be permitted to redeem their shares directly from Invesco Markets II plc in accordance with the redemption procedures set out in the prospectus, subject to any applicable laws and relevant charges.
- The Fund's base currency is USD.
- **Dividend Policy:** This share class does not pay you income, but instead reinvests it to grow your capital, in line with its stated objectives.
- **Net Asset Value:** This is calculated daily and the Fund is open for subscriptions and redemptions on each day the United States Federal Reserve System is open. Please refer to the prospectus for further information.
- **The Index:** The Index tracks the performance of global companies who participate in the blockchain ecosystem. This includes companies involved in blockchain-related activities such as crypto-currency 'mining' (i.e. the process of producing crypto-currency), as well as blockchain-related financial services, payment systems, technology solutions, and other areas. The index universe comprises of companies that are listed on a regulated stock exchange in any of the following countries: Australia, Austria, Belgium, Brazil, Canada, Denmark, Finland, France, Germany, Hong Kong, Ireland, Israel, Italy, Japan, Netherlands, New Zealand, Norway, Portugal, Singapore, South Korea, Spain, Sweden, Switzerland, Taiwan, United Kingdom and United States. The Index constituents are weighted by a so-called 'blockchain category score', which ranges from 1 (potential exposure) to 5 (core exposure) based on a constituent's exposure to the blockchain sector, and their liquidity. All index weights are capped at a maximum of 5% per constituent. The Index is rebalanced quarterly.

Risk and Reward Profile

- The Share Class is in risk category 7 due to the rises and falls of its price or simulated data in the past.
- As the Share Class' risk category has been calculated using historical data, it may not be a reliable indication of the Share Class' future risk profile.
- The risk category may change in the future and is not guaranteed.
- The lowest category does not mean a risk free investment.

Other Risks

- **General Investment Risk:** The value of investments, and income from them, can go down as well as up and you may not get back the full amount you invested.
- **Concentration risk:** The Fund might be concentrated in a specific region or sector or be exposed to a limited number of positions, which might result in greater fluctuations in the value of the Fund than for a fund that is more diversified.
- **Equity Risk:** The value of equities and equity-related securities can be affected by a number of factors including the activities and results of the issuer and general and regional economic and market conditions. This may result in fluctuations in the value of the Fund.
- **Securities lending:** The Fund may be exposed to the risk of the borrower defaulting on its obligation to return the securities at the end of the loan period and of being unable to sell the collateral provided to it if the borrower defaults.
- For more information on risks, please see the Fund prospectus under "Risk Factors", which is available at etf.invesco.com (select your country and navigate to Product/Prospectus).

The Fund is not sponsored or endorsed by the index provider and a full disclaimer can be found in the Fund's prospectus.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	None*
Exit charge	None*
Charges taken from the Share Class over a year	
Ongoing charge	0.65%
Charges taken from the Share Class under certain specific conditions	
Performance fee	None

- *Authorised Participants dealing directly with the Fund may pay an entry charge up to a maximum of 5% and an exit charge up to a maximum of 3%. Although not charged directly to investors who are not Authorised Participants, these charges may have an impact on brokerage fees, transaction fees and / or the bid-ask spread. Currently, the Fund is not exercising its entitlement to apply entry and exit charges.
- The **ongoing charge** is based on the fee paid to the Manager. The Manager is responsible for discharging from its fee, costs attributable to the Investment Manager, Administrator, Depository as well as the Operational Expenses incurred by the Fund. It excludes portfolio transaction costs except in the case of an entry or exit charge paid by the Fund when buying or selling shares/units in another fund.
- Because the Fund is an ETF, investors will typically only be able to buy or sell shares in the secondary market. Accordingly, investors may incur brokerage and / or transaction fees in connection with their dealings. Investors may also bear the costs of "bid-ask" spreads; meaning the difference between the prices at which shares can be bought and sold. You should discuss these fees and costs with your broker before you invest, as they may reduce the amount of your initial investment and the amount you receive on disposal.
- The Fund may engage in securities lending, whereby 90% of the revenues arising from securities lending will be returned to the Fund and 10% of the revenues will be retained by the securities lending agent.
- For more information on charges, please see the relevant charges section in the Fund supplement under "General Information Relating to the Fund", which is available at etf.invesco.com (select your country and navigate to Library/Supplement).
