

Golf Advisory Committee Agenda

August 3, 2021

Approval of the July 6, 2021 GAC meeting minutes.

Reports:

Golf Superintendent: Brandon Haynes/IGM

PGA Golf Professional: Duane Gore

Old Business:

Water issues Update: LQC, Drainage, effluent vs Well, etc.

Status of Work Orders

DG replacement and restructuring on the #5 turnout

Steps and railing at #2 red tee box

#4 drainage ditch repair

#11 Men's tee box stairs

#2 and #10 cart path berms

Cart path repairs (#3 leveling, #5 roots, #10 depressions, #9 tree root uplifting by tee box

Pavers next to #3 tee box

Update on bunker rehabilitation/sand/drainage issues/bunker depth measured vs expected

Updated on tree replacement

Update on OTMGC recommendation for memorial bench

Update on OTCCWGC request for railing to #13 tee box

New Business

Putting green continues to be an eyesore nearest the shade structure

Capital improvement effort for sidewalk/cart path, appears to be the #5 turnout at the tee box as the prime candidate, other options include #3 and #5 from tee box to about 100 yards from there, see work orders above

Drought plan for diseased and dying trees, #2 greenside 40 yards from hole on right, upper half of tree is dead; #5 fairway right, 80 yards from hole, top dying; #8 fairway left, 100 yards from green, tree top is dead; what are we going to do for these mature trees?

#13 yellow tee box watering coverage appears to be inadequate, what is the problem source?

#10 yellow tee box uneven and dry watering, similar to above

Flag prisms and rakes need to be flushed out of bad and replaced with new, or adjusted to provide reflective requirements to establish distances
