Due to severe drought conditions, the BVS Gun Range will be closed for fire season, beginning immediately. According to the U.S. Drought Monitor, the Tehachapi area and 95% of Kern County are rated at “D4 exceptional drought”, which is the most severe drought category. Daily temps at the Gun Range are regularly reaching 100+ degrees, with low humidity and breezy conditions. Other reasons compound the need to close the range, but the main issue is extreme fire danger. The BVS Gun Range will re-open in the fall months when we start to see precipitation again, and when the daily temps begin to drop.

## **The Whiting Center**

The main activity center for the valley, the Whiting Center offers an indoor Jacuzzi, a basketball court, (which also doubles as an inline hockey rink), a game room, a fitness center, and different types of exercise classes are also available. Our classes are offered to Property Owners and their guests. Fees do still apply. To use the Whiting Center the guest fee with the Property Owner are as follows: Ages 9-16 is \$2, ages 17 and older is \$5 per day.

Without a Property Owner and with a temporary amenity pass is \$10 per day. Which is good all day just come back with your receipt showing you paid already.

If you have a talent or skill you would like to share with the community, please give us a call. We are always looking for additional classes to offer. Please have your amenity card ready when you sign in at the Whiting Center. For more information call 821-6641.

Come and work out at the fitness center! Free to Property Owners, \$10 fee for guests.

Without a Property Owner and with a temporary amenity pass the fee for the Fitness Center is \$15 per day.

## SPORTSMAN'S CLUB

### Deep Pit BBQ - Meet your Neighbors Opportunity

Arrangements for our Deep Pit BBQ have been finalized and now it is a matter of putting everything into action. I would like to be able to say “simply a matter of putting our plans into action” but the arrangements to be implemented are as time consuming as the planning phase has proved to be this year, so our volunteer members are going to be busy this week leading up to the BBQ. Our events rely on the participation of members volunteering to participate in the organization of our events. We are very grateful to the members who have volunteered to do the various jobs that will make Saturday's BBQ a success.

The arrangements for this year have been complicated by a number of issues, not least the after effects of Covid and more immediately the fire risk in the valley, which has required us to rethink how we do some of the jobs necessary to the success of the event. Existing Club members will notice the differences but we will still be delivering several

hundred pounds of barbequed meat, beans, coleslaw and other tasty ingredients that make our event a success and our bar will be providing a range of drinks to quench the thirsts of all.

The weather is looking good for Saturday and should be pleasant during the afternoon that day.

As we have previously said we would like to invite people, who have moved into the Valley in the last couple of years and, to come along and join in the festivities as we are aware that until now opportunities to meet people have been limited by Covid restriction. So folks you might like to treat our BBQ as an opportunity to meet people. We are therefore opening up the event to people, living in the Valley, who have never been members of the Sportsman's Club and for a "ticket" of \$15 for an individual or \$30 for a household; they can enjoy the event as members of the Club. If you want to come along to find out more about the Club or just like the idea of an enjoyable meal on a late summer / early fall afternoon, then come along at 4pm. There is no need to "book" but if you know you are coming, please let us know by emailing Will Handley (email at the bottom of the message) so we can plan for likely numbers. However you can just turn up on the day. Try not to be late as the food gets quickly devoured by hungry participants.

Existing Members of the Club, who have been keeping their heads down through the pandemic and not renewed their membership this year, can, of course, do so at the BBQ.

If you are concerned about the effect of the recent BVSA ruling that no fires should be lit on amenities in the Valley, you will be pleased to know that we have been granted a special dispensation, because the fire is at the bottom of a twelve feet deep pit and we have arrangements that enable us to prevent the fire escaping from the pit. These arrangements have been demonstrated to be effective over a period of many years.

If you want to know more about the Sportsman's Club, so that you know what you are letting yourself in for, please read last week's Ebuzz, where I outlined some of the events that we have organized during years past. This year our events have been limited as we could not do much until the lockdown eased in June but we are building back up and plan to be fully back to speed in 2022. You can also email me at my address at the bottom of this message.

Sportsman's Club Membership is open to all BVS residents. You can find out more about us on our Facebook page – just search for Bear Valley Sportsman's Club. If you are interested in joining or just want to know more email Will Handley, the Club's Membership Secretary [will.handley@live.com](mailto:will.handley@live.com)
