## SPORTSMAN'S CLUB

*“The BVS Sportsman’s Club: We’re not just friends, we’re family!”*

### **Valentine’s Day Soda Can Shoot**

The Sportsman’s Club will be holding a Valentine’s Day Shooting Festival on Saturday February 12<sup>th</sup>, at the Bear Valley Shooting Ranges, starting at 10am. The targets will be out of date soda cans and all shooters are invited to bring their guns and help dispose of these cans. You can bring rifles or pistols of any caliber and also air rifles / pistols. The only restriction is that ammunition must safe to use on the range.

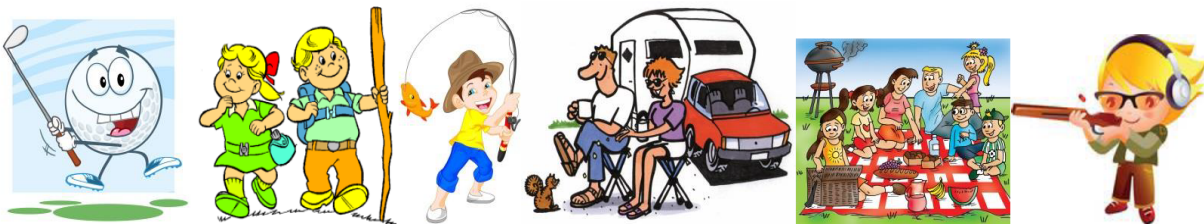

The event is open to all Bear Valley residents and there is no charge to take part. There are no prizes but you can always take home the cans you have shot and mount them on your trophy wall! We plan to have a few guns available that can be borrowed if you do not have a gun of your own but we will ask you to pay for the ammunition that you use. If you have your own gun and ammunition, then bring it along. A .22 RF gun is more than adequate for this shoot but larger and smaller calibers can be used, especially for those sneaky cans at the back end of the range!

All shooters need to have the 2022 Range Safety sticker on their amenity cards (don’t forget to bring your card on the day). If you have not got this sticker, just call in at the Whiting Center to complete the formalities.

This is a fun shoot suitable for adults and children alike but children must be supervised by a parent or guardian whilst shooting. You can bring non-resident guests but they will be required to pay the guest range fee and you will be responsible for ensuring they shoot safely.

We do place an emphasis on safety and the safe handling of guns, so there will be a Range Briefing at 10am before shooting starts but this will not interfere with your enjoyment of the event. The satisfying sight of a soda can exploding in a fizzy shower when hit is as satisfying as it is spectacular.

After we have finished shooting, we will have some Hot Dogs to put on the BBQ and you can bring along your own food if you wish. We will also have in-date sodas to quench your thirsts! We look forward to an enjoyable day on Saturday.

**BEAR VALLEY SPRINGS SPORTSMAN'S CLUB**  
P.O. Box 2454, Tehachapi, CA 93581

**Saturday February 12<sup>th</sup> at 10.00am**

**Bear Valley Springs Ranges**

## **Valentine's Day Soda Can Massacre**

This is your opportunity to come along to the range to blow the cobwebs out of your rifles and pistols. This is a purely fun shoot suitable for shooters of all skill levels, so it does not matter if you have not shot for years, have never shot or are a skilled shooter, you can all have fun. We will have guns if you need to borrow one but you will need to pay for ammunition.

Targets include:

**Machine Gun Pepsi, Buggy Root Beer, Seven Up Capone, Bonnie & Clyde Cokes**

**Also for over 21's only: The Miller Can Gang**

No need for pre-entry, just come along on the day, bringing any guns and (lots of) ammunition that you want to shoot and if you have more than one gun you can shoot with them all. Air Guns, 22 RF, rifles and pistols of any caliber that can be safely used on the range.

This is open to all Bear Valley residents. All shooters must have the 2022 Range sticker, which you can do at the Whiting Center at any time before the Event.

There are no prizes but you can take home any trophy cans you have shot and want to mount on your wall at home.

The Shoot will start at 10.00am with a safety briefing and continue until all the cans have been successfully perforated. Remember to give yourself time to get to the range as it takes 30 minutes to get there from the bottom of Deer Trail.

After the Shoot, we will have Hot Dogs and not-out-of-date sodas available for all. If you want to bring your own food to throw on the BBQ, you are most welcome.
