The BVSAC was formed to bring together people interested in enjoying the beautiful night skies of our valley. The Club is open to people at every level – from complete beginners to astronomy professionals. We have regular meetings, star parties and numerous public events throughout the year. We also want to educate our residents about the advantages of keeping our skies naturally dark.

MEETINGS are the first Monday of the month at 6:30pm at the Equestrian Center Lounge. All are welcome!

TELESCOPE CLINIC! Our next Public Star Party will be a Telescope Clinic on Saturday, **August 20th** from 6-9pm at the Cub Lake basketball court, weather permitting. Everyone bring that telescope sitting in your closet, we can help you figure out how to use it, see if it needs repair or alignment, etc!

Interested? Contact Interim President Claude Plymate (info@bvsac.com). We also have a Facebook page, Bear Valley Springs Astronomy Club where we will post our events. Web page coming!

Bear Valley Buckaroos

The Bear Valley Buckaroos are back in the saddle for 2022 and our event season is under way!

Our big news this year is that we are now the host club for the BV Buckaroos AMA Mule and Horse Show on August 5th, 6th, & 7th. This show has become a Bear Valley tradition and is a great spectator event. Full details can be found on the Bear Valley Buckaroos Facebook page.

Our first playday was held on Saturday, June 18th, and we had a huge turnout. Playdays are fun & challenging for riders of all ages and will be held on the 2nd Saturday of the month through October.

Our first team sorting "round robin" competition was held on Sunday, June 19th, with 90 teams competing for the prize money and end of season buckles. The competitions will continue on the 2nd Sunday of each month through October. There will be cash pay outs to the top 3 riders in each group of 10, with both morning & afternoon sessions.

Practice sessions with our cattle will be held at 5:00 pm on Wednesdays & Saturdays through October. Practice will not be held on the Saturday prior to a competitive team sorting. Practice is fun and non-competitive. Riders of any level, beginner to advanced, are welcome to practice at their own speed. There is a $30 fee per rider for each practice session.

We have already held a successful barrel racing clinic and we have a 2-day horsemanship and cattle work clinic scheduled for July 16th & 17th. The clinic is limited to 10 people per day and spots are still available for either or both days.

All events and practice sessions do require an annual $60 Buckaroo family membership fee. Membership applications and current information are available on our "Bear Valley Buckaroos" Facebook page. Applications will also be available at all events. Applications and payment can be deposited into our mailbox at the Equestrian Center or brought to an event.

Please feel free to contact any Board member for further information.

BVS RC Model Club

Flying or Driving Hours: Daily 7:00 AM-Dusk

BVSA RC Modelers Club – Learn to Fly Day
Have you ever wondered what it would be like to fly an RC (Radio Controlled) plane? Well, about three years ago, I got the opportunity. I had just retired and was wondering what I was going to do with my time. I was invited to the field one day and have been going back ever since. When I was first learning to fly RC planes, a seasoned RC pilot invested his time in me and helped me learn. One method we used, was flying with a Buddy Box. The Buddy Box allows a beginner to fly with the knowledge that the experienced pilot can and will take over when needed.
On Saturday, June 11, 2022, that beginner can be you. Come join us at the RC Flying field (right behind the transfer station) and we will give you an opportunity to fly an RC plane. We will begin at 8:30 a.m. and go till 11:00 a.m. (or when it gets too windy). We will also have some flying demonstrations and will be serving hot dogs at 11:00 a.m.
COME JOIN US IN THE FUN!!

BVS RC Model Club is a club here in Bear Valley and flies and drives at the Ron Samuels Model Field located next to Jack's Hole which is west of the CSD trash area. We meet regularly on Wednesday and Saturday mornings. We would like to invite anyone interested in RC Model Aviation or Model Cars to come join us. While we encourage everyone to join the BVSA RC Model Club, it is not necessary in order to fly or drive at the field. For more information, please contact Mitch McDiffett at 661 378-5596.
