GUESTS:

APPROVAL OF AGENDA OCTOBER 5, 2022

- **APPROVAL OF MINUTES SEPT 7, 2022 APPROVED VIA E MAIL**

MEMBER COMMENTS:

OLD BUSINESS –a. Signs update for Rec areas with ALL other BVS Signs (100 total) to be made.

COMMITTEE REPORTS:

1) **Beaubien Field** Gary Adams

- a. Nothing new to report ... and that's good because the Recreation Crew is consistently dragging the field, making our games free of dirty hops.

2) **Nature Path** Kimberly Clow

- a. The Nature Path is in great condition with lots of use by members families, & their dogs

3) **RC Modelers** Mitch McDiffet

- a. Picnic Tables ordered & Runway Material located in maintenance
- b. Club going great – We now have 37 members
- c. Tehachapi Living Magazine is working with us to do a story about our club – probably sometime in early 2023

4) **Sportsman Club** Will Handley Sportsman's Club Report Proposal re: Shooting Range submitted to BoD

- a. Golf Tournament update

Forty hearty souls braved the 70- and 80-degree weather on Saturday, September 24, 2022 to participate in the Sportsman's Club's golf tournament. Each foursome participated in a Scramble format for golf with the requirement for each member of the team to take three of their drives during the round of golf. Third place was taken by the foursome of Skip Herrera, Colleen Herrera, Al Sharp and RT Martin, with a net score of 48.12. Second place was won by

the foursome of Mel Beck, Vic Keeseey Jr., Diane Keeseey and Vic Keeseey Sr. with a net score of 48.12. Our winners were the foursome of Scott McKettrick, Lynn McKettrick, Mark Schroeder and Sonia Schroeder with a net score of 47.37. In addition to net score winners, contests were held for closest to the line in the fairway on hole number five and closest to the pin on hole number eleven. After an enjoyable round of golf, the majority enjoyed pulled pork sandwich's coleslaw, potato salad and libations at the Mulligan Room pavilion. Winners of the golf contests were announced and prizes were distributed, along with numerous opportunity drawing prizes being handed out to the lucky winners.

b. Deep Pit BBQ and Jazz concert update

The Sportsman's Deep Pit BBQ was postponed from the planned date of September 10th to the Sunday of the following week – September 18th, this proved to be most fortuitous as we were able to combine the event with the Jazz concert that the Cultural Arts Society were planning for that weekend. The result was a classic example of the whole being greater than the sum of the parts as it enabled over 200 people to enjoy the BBQ whilst listening music that was jointly funded by the two organizations.

The success of the event was due to work put in by members of both organizations in the running of the event, at which over 200 meals were served and the diners were able to enjoy drinks from our well stocked bar.

We are planning to build on this success by organizing a joint event again next year.

c. Future Events

Planned events for the remainder of the year include our Fall Dinner Dance in October and if the Shooting Range is operational again, a "Turkey Shoot" in the week before Thanksgiving and finally our Fund raiser Toys for Tehachapi Tots at the beginning of December.

5) Astronomy Club- Claude Plymate

- a. The astronomy club set up 5 telescopes for a star party for the Heartland School astronomy club on September 23rd. About 20 students and parents attended and were treated to a very clear evening of observing at Brite Lake. The following night, the club held its monthly Dark of the Moon star party at the end of Amberwood Ct. The weather again cooperated and provided us with very nice observing conditions.
- b. The club's proposal to build a community observatory here in BVS goes before the BVSA Board for a vote on the 27th.
- c. Saturday, Oct 1, is International Observe the Moon Night. The Astronomy Club is participating by setting up telescopes for public viewing along with some informational displays at Cub Lake.

6) Pool – Kimberly Clow - Lots of Ground squirrels on grass & Driveway from tennis/pool parking lot to pool and kitchen area

- a. Orientations completed for Off Season Swimming BVS Aquatics Total Swimmers-190 enrolled
 - i. Total amount collected from Lap Swimmers - \$14,080 to date
