The BVSAC was formed to bring together people interested in enjoying the beautiful night skies of our valley. The Club is open to people at every level – from complete beginners to astronomy professionals. We have regular meetings, star parties and numerous public events throughout the year. We also want to educate our residents about the advantages of keeping our skies naturally dark.

MEETINGS are the first Wednesday of the month at 6:30pm at the Oak Tree Banquet Room. All are welcome!

Public Star Parties are generally the Saturday closest to first quarter moon, held at the Cub Lake basketball court. Club Member dark sky star parties are generally held the Saturday closest to new moon. Check our Facebook page (Bear Valley Springs Astronomy Club) for updates and special events!
