

## Kyash completes registration for Funds Transfer Service Provider

To offer a mobile-first banking services for Japanese consumers

Kyash Inc. (Headquarters: Minato-ku, Tokyo, CEO: Shinichi Takatori), who provides the wallet application “Kyash”, has completed the Funds Transfer Service Providers registration based on the “Payment Services Act” on August 27, 2020 (Registration #: Kanto Finance Bureau No. 00082). Registration of the Funds Transfer Service Provider allows users to topup the balance from linked bank accounts and access to mobile-first checking account features including peer to peer money transfer and payment at Visa merchants worldwide with Visa card Kyash issues.

We aim to create a "new culture for money" where people can freely exchange their values and thoughts while supporting their lifestyles. We will continue to build a value transfer infrastructure through the wallet application Kyash.
