

ARRA Compliance

The following GE construction, weather sealing and structural glazing products manufactured by Momentive Performance Materials Inc. are produced in the United States according to applicable Federal Acquisition Regulations and regulations promulgated by the Federal Office of Management and Budget and therefore compliant with the “Buy American” provisions of the American Recovery and Reinvestment Act of 2009.

Silicone Sealants

SCS1000 Contractors Sealant	SCS2000 SilPruf* Sealant	Enduris* Liquid Flashing
SCS1200 Construction Sealant	SCS2700 SilPruf* Sealant	Elemax* 5000 Liquid Flashing
SCS1700 Sanitary Sealant	SCS9000 SilPruf* Sealant	SWS Weatherproofing Sealant
SCS2800 SilGlaze* II Sealant	SCS2350 Elastomeric Sealant	RCS20 Siliconized Acrylic Sealant
SCS2801 SilGlaze* II Sealant		RGS7700 RapidStrength*

UltraGlaze* Structural Glazing Adhesives

SSG4400 structural silicone	SSG4000 structural silicone
SSG4600 structural silicone	SSG4000AC structural silicone
SSG4650 structural silicone	

UltraSpan* Pre-cured Silicone Rubber

US1100 Weatherstrip	USM Molded Corners
UST2200 Transition Sheet	

Silicone Coatings

SilShield* 3100 Architectural Coating	Enduris* 3500 Roof Coating
Optic* 3101 Translucent Architectural Coating	Enduris* 3400 Roof Coating
Elemax* 2600 Air and Water-resistive Barrier Coating
