

Senior Leadership Programme

The most successful Leadership Masters programme in the UK now includes new and improved standards, including all standards of the new NPQH. Packed full of world class contributors and supported by an industry-leading delivery team, this Mastership will empower you to lead at all levels of the profession.

Features:

- ✓ The most popular Leadership Masters in the UK
- ✓ World class academic content from system leaders in education and beyond
- ✓ Innovative management strand bringing cutting-edge improvement practice to education
- ✓ Inter-modular coaching and support throughout your learning journey
- ✓ Deliver a meaningful whole-school change project

Modules

Module 1 - Learning to Lead

Developing learners' understanding of self and others in order that they can lead high performance teams.

Module 2 - Operations Management

Building understanding of governance and legal requirements in relation to leading a school including strategic finance, strategic workforce planning and talent management.

Module 3 - Strategic Leadership

Developing learners' understanding of how strategy is used to shape the vision, culture and values of schools'.

Module 4- Innovation and Change

Supporting learners' understanding of innovation and change, and specifically how to drive change and new ways of working across school.

Module 5 - Leadership in Education

Delivering domain-specific leadership knowledge and skills to help learners lead in diverse situations within education.

"I would absolutely recommend this to any individual who is looking to develop their leadership skills with a very clear focus on teams and the how we as leaders can impact those around us for the better."

Sandeep Kooner, Principal, Washwood Heath Academy
