

SOLAR INDUSTRY TRAINING

WITH GRID ALTERNATIVES

Are you interested in a career in the solar industry?

Swords to Plowshares has teamed up with GRID Alternatives to bring **free** hands-on solar training and certificates to veterans in the East Bay! Learn about solar installation technology, design, and sales in the Bay Area and use your leadership skills to make career connections in the industry.

We help with job placement after the training!

Training on average will last six hours a day, and lunch will be provided.

Other FREE services we provide:

Resume building
Interview coaching
