## Wabi Sabi 侘寂 : Embracing flaws

*“Wabi sabi” is a concept embracing the beauty of natural flaws inspired from the Japanese philosophy. In Japanese culture, “**Wabi Sabi**” has been practiced as a culture for years. Wabi sabi is a Japanese philosophy that has been around since the 15th century till now. It came about as a reaction to the dominant trends of the time, which relied heavily on over ornamentation, lavishness, and the use of rare materials for luxury.*
