Two regional meetings concluded successfully

The two final regional meetings for the year were concluded successfully, in Ratnapura (November 28) and Moneragala (November 29).

The meeting in Ratnapura consisted of a program for medical officers (with the AKI training module, conducted by Dr S. Mathu, Consultant Nephrologist) and for MOs and consultants (consisting of review lectures), which took place in the PGH Ratnapura. The main sponsor was GSK.

A parallel program for nursing officers was conducted in the RDHS Ratnapura office. It was sponsored by the RDHS Office.

The meeting in Moneragala consisted of both the AKI training module and review lectures. The event took place at the BH Moneragala, and its main sponsor was GSK.

A highlight of both events was the participation of two past presidents: Dr JB Peiris and Dr SD Jayaratne.
