IT'S NATIONAL MEATBALL WEEK!

- Read below to see your offer -

Hi {{First name}},

Meatballs are always a part of my favorite memories in our southern Italian household, and they are my ultimate go-to comfort food. Where our love of food defines the bond of family, meatballs really hold a special place in my heart. It's something that makes it great for dining with friends and family, and sharing loving memories together.

That's why I'm excited to announce that at Delicio Cucina Italiana, we're celebrating National Meatball Week like no other! Try five regional styles of Italian meatballs, and to get you started, we're sending you a \$30 gift card as part of our VIP circle of patrons.

We truly thank you for supporting our business during this extraordinary year for those of us in the restaurant business; we appreciate your enduring patronage this past year. Please use this gift card to directly order on our new website that we've launched (DelicioItaliana.com) in honor of my favorite meal that signifies, to me, the true spirit that binds us as family.

Buon appetito!
