

How to make Voice and Video Calls on Eko

Enhance conversations with Voice and Video Calls

How to Set up a Call

To make a Call on Eko Mobile, navigate to the 1-1 or group chat you want to make the call through, and tap the Phone icon in the upper-right. Then tap Voice or Video Call from the options, and your Call will be initiated.

Managing a Call on Eko mobile app

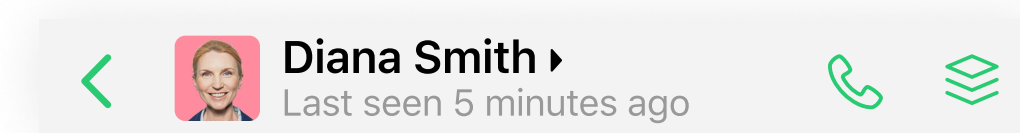

While on a Voice Call, you will see four separate buttons/icons you can use to manage that call

Microphone icon: Mute/unmute yourself on the call

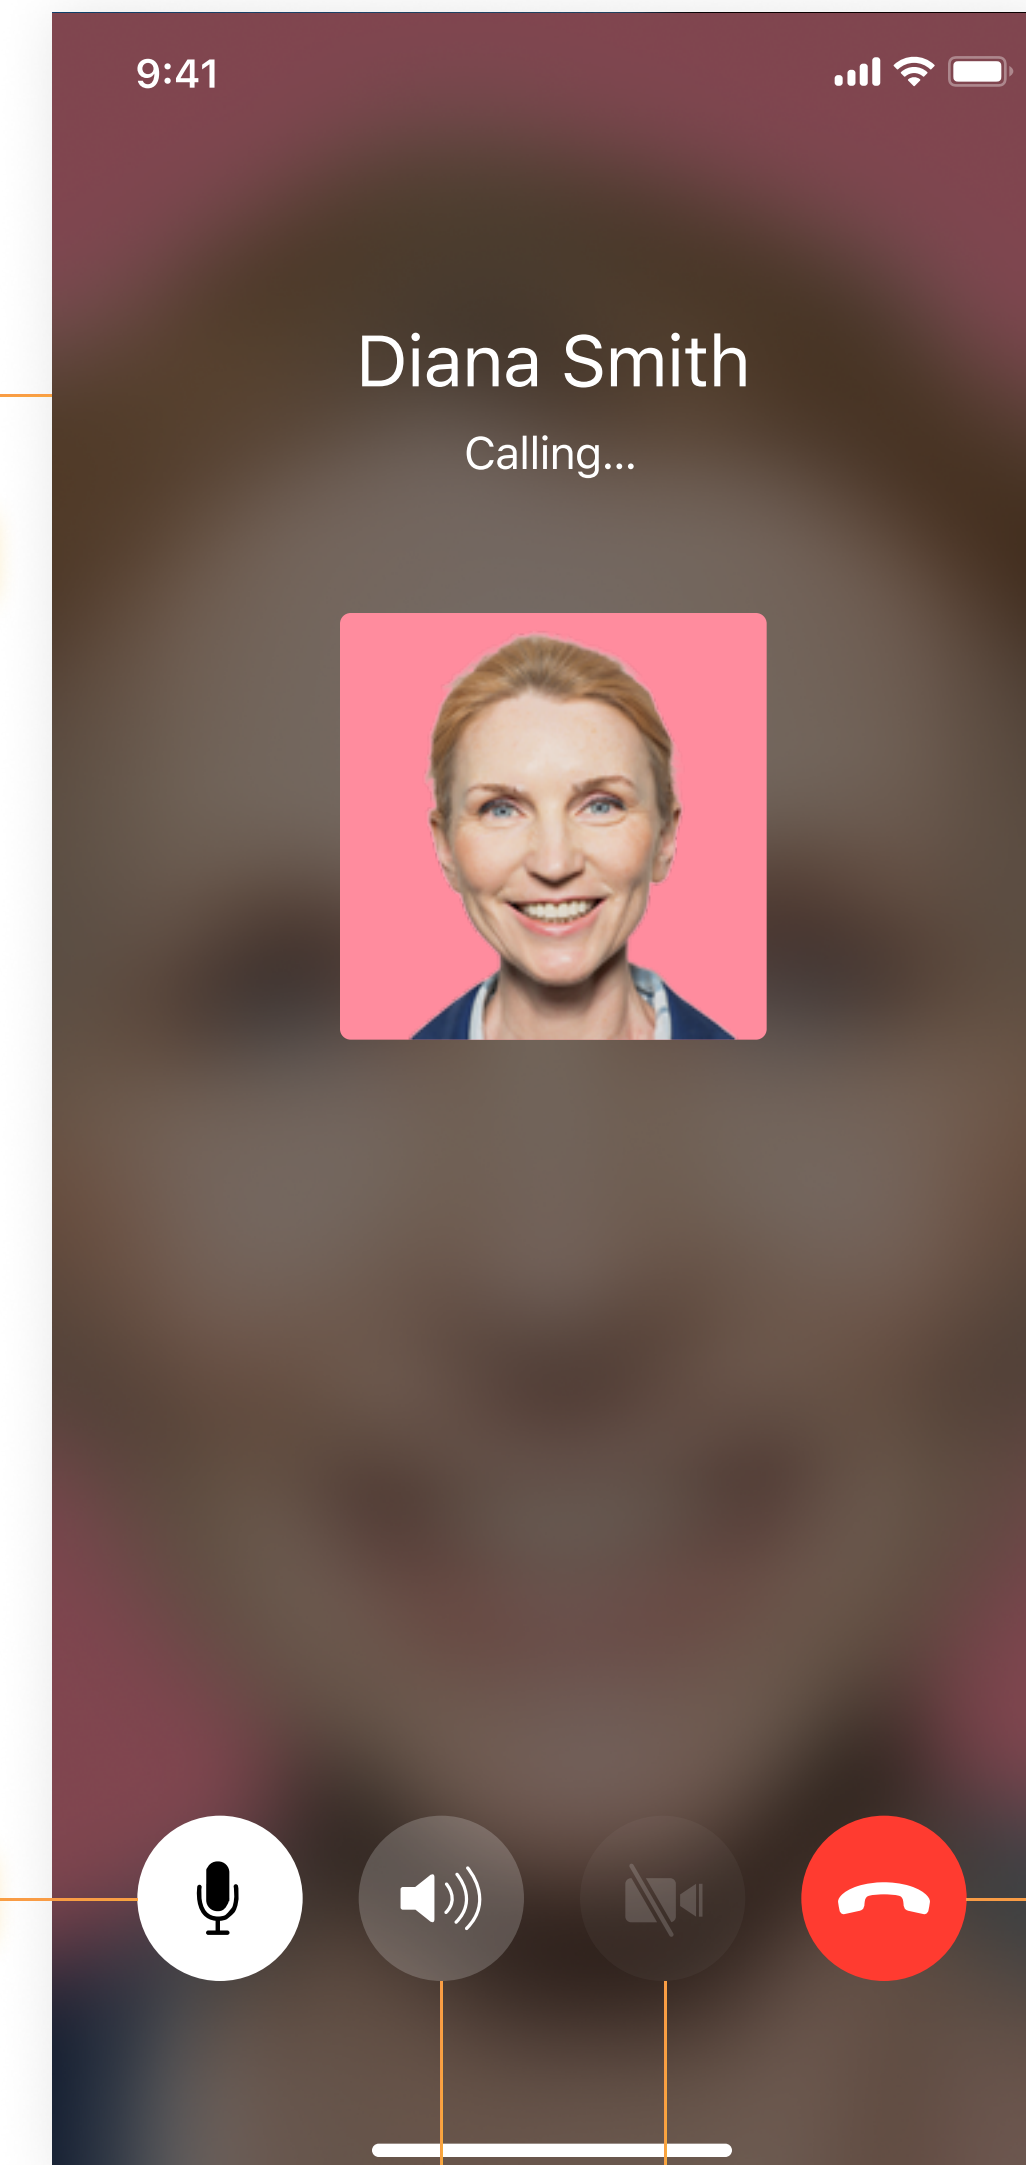

Speaker icon: Turn on/off speakerphone, if making the call from Eko mobile app

Camera icon: Turn the Voice Call into a Video Call or vice versa

Red phone icon: End the Voice Call

Tap to start a Voice or Video Call

Mute/Unmute Microphone

End call

Open/Close speaker

Toggle between Voice and Video Call
