- If you are uninsured, you are required to be screened by a designated Market Place Health Exchange Navigator.
- The services that were provided to you must be considered medically necessary essential health care services. Elective and cosmetic services are not eligible.

Helpful Information:

Verification of New York state residency

- a. A copy of the applicant’s driver’s license and/or NYS ID card to verify NYS residency. Please make sure that the address on the license/ID is the current address.
- b. If no driver’s license or ID card is available a utility bill will suffice, but it will need to show current address.

If you are **uninsured**, a screening will need to take place with a designated Market Place Health Exchange Navigator. The navigator’s office is located next to the outpatient lab at the hospital’s main campus. A screening can either be done by phone or in-person. No appointment necessary.
