This holiday season, OTTP-SF is spreading cheer with our annual Minted Fundraiser and our first Holiday Giving Campaign.

# EMERGENCY HEALING FUNDRAISER SUCCESS

On August 25th, we launched our Emergency Healing Fundraiser through GoFundMe Charity. Our goal was to make up for a potential loss of funding due to the COVID-19 pandemic, and we hoped to raise \$50,000. With the help of more than 100 amazing donors, and a generous matching gift from the San Francisco-based software company, Webflow, we are thrilled to share that we have nearly doubled our fundraising goal!

## HOLIDAY GIFT CAMPAIGN AND MINTED FUNDRAISER

Once again, OTTP-SF is participating in the annual Minted holiday fundraiser. This is a great way for everyone to win. All you have to do to support us is order your holiday greeting cards through [Minted.com](https://www.minted.com) and use this **20% off promotion code** at checkout: [FUNDRAISEOTTPSF](https://www.minted.com/?code=FUNDRAISEOTTPSF). This promotion will last until the new year.

Today is Giving Tuesday! We will be hosting our first ever Holiday Gift Campaign in honor of this international day of giving. This campaign will give donors the chance to spread holiday cheer more directly by fulfilling the specific gift wishes of the youth we serve. We have created a SignUpGenius page where you can view the wish list and select a gift to purchase for a youth working with OTTP-SF. So many of the young people we work with have been impacted by trauma and financial insecurity, which has only been exacerbated by the COVID-19 pandemic. The generosity of people like you will brighten their holidays!

With the funds raised we will be able to provide additional services to children ages 3-5 in our Shoestrings program. This program provides children support in learning to regulate emotions and develop skills at school and at home to improve likelihood for future academic success.

In addition to expanding services within the Shoestrings program, we will also be able to maintain our current caseloads within our other programs as well. Furthermore, we will be using funds raised to create an incentive program for the youth that we serve and purchasing essential items to help them throughout the duration of the pandemic. Thanks to your support, no young person will have to go without our services!
