INTRODUCING THE FIAT 500X

Blending style, space and innovation, the Fiat 500X is the next generation crossover designed for modern life. Powered by a choice of 120hp (all models) or 150hp (Connect upwards) petrol engines with a six-speed manual or six-speed DCT automatic transmission (1.3 models) as standard, distinctive exterior styling brims with Italian panache, while the interior combines functionality with strong, thoughtful design.

Inside, all the main controls are designed to make your driving more enjoyable, with a stylish body colour dashboard and command driving position making the 500X the crossover with the look and feel of an SUV.

And wherever you are, the 500X stays connected with the innovative Uconnect™ infotainment system, standard on every model, incorporating Apple CarPlay® and Android Auto™ integration, is equipped with a 7"

high resolution touchscreen display with capacitive technology. Available Uconnect™ LIVE services (TuneIn, Reuters, Twitter, Facebook, Deezer, my:Car and eco:Drive) and two additional speakers.

With Pop, Connect, Cross and Sport models there's a 500X model for every need, all detailed in this Range Guide.

*Uconnect Live services, where available, require a data enabled smartphone to use.
