**Jeep**  
THERE'S ONLY ONE

OFFICIAL FUEL CONSUMPTION FIGURES FOR THE JEEP RANGE MPG (L/100KM) COMBINED: 48.7 (5.8) TO 25.0 (11.3). CO<sub>2</sub> EMISSIONS: 213 - 128 G/KM.  
Fuel consumption figures determined on the basis of the new WLTP test procedure as per Regulation (EU) 2017/1347. CO<sub>2</sub> figures, based on the outgoing test cycle, will be used to calculate vehicle tax on first registration. Only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real-life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The discount specific to each version will apply to factory fitted options, e.g. metallic paint. Please consult your Retailer for options available on each model. All vehicles offered are subject to availability. The Affinity price includes VAT, road fund licence, first registration fee, delivery and number plates. All prices are based on a standard car with no fitted options. FCA UK reserves the right to alter, amend or withdraw prices and offers without notice. The Affinity offers cannot be used in conjunction with any other offers or incentives, including retail and Privilege Purchase Scheme consumer incentives.
