INTRODUCING THE FIAT 500X

Blending style, space and innovation, the Fiat 500X is the next generation crossover designed for modern life. Powered by a choice of 120hp (all models) or 150hp (Connect upwards) petrol engines with a six-speed manual or six-speed DCT automatic transmission (1.3 models) as standard, distinctive exterior styling brims with Italian panache, while the interior combines functionality with strong, thoughtful design.

Inside, all the main controls are designed to make your driving more enjoyable, with a stylish body colour dashboard and command driving position making the 500X the crossover with the look and feel of an SUV.

And wherever you are, the 500X stays connected with the innovative Uconnect™ infotainment system, standard on every model, incorporating Apple CarPlay® and Android Auto™ integration, is equipped with a 7"

high resolution touchscreen display with capacitive technology. Available Uconnect™ LIVE services include TuneIn, Reuters, Twitter, Facebook, Deezer, my:Car and eco:Drive and two additional speakers.

With Pop, Connect, Cross and Sport trims, plus Hey Google, RED and new Dolcevita soft-top models, there's a 500X model for every need.

*Uconnect™ Live services, where available, require a data enabled smartphone to use.

500X^{RED}

(RED) was founded in 2006 to bring together companies and people in the fight to end AIDS. Today, (RED) is combating two pandemics, AIDS and COVID-19, and has generated nearly \$700 million for the Global Fund. The (500X)^{RED} is based on the Cross version and is available both as a hatchback and in an open-air version with black Dolcevita soft top. As well as Passione Red, the colour palette includes Fashion Grey, Ice White and Cinema Black, all with red design cues.

Fuel consumption and CO₂ figures are provided for comparative purposes only and may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedure. For further information, please visit www.fiat.co.uk, contact your retailer or visit the FCA Fleet Hub at www.fcalfleethub.co.uk. All details correct at date of publication, October 2021.
