

## Digital Studio Guide Participant Agreement

Please read the following very carefully. Your signature on this form indicated that you have read and agree to the terms of this agreement.

Studio's areas are the creative working spaces of artist and craftspeople. There may often be student work, early work, or new works in progress that have not, or may not ever be juried. It is not the Craft Council of Newfoundland and Labrador's intention to jury all aspects of the life of a studio or demonstration area.

### Studio Participants agree:

That the work offered for sale meets a high standard of quality in either juried or non-juried product.

That a visitor primarily sees original artworks on display and that any signed and numbered reproductions are clearly labeled as "reproductions" instead of "prints". Reproductions that are signed, numbered, and labelled as "prints" do not meet the Craft Council of Newfoundland and Labrador's Standard of Quality and are not permitted for sale at Craft Council of Newfoundland and Labrador events or in the Craft Council Shop and Pantry.

### All Participants Agree:

To be open to the public on the dates / times they have indicated on this application form.

That access to sites and studios will be free of charge to visitors, unless noted in the listing.

To submit photos of the medium / products and/or the craftsperson at work for use on the Craft Council of Newfoundland and Labrador website, digital studio guide, and social media platforms. (These should be emailed to [info@craftcouncil.nl.ca](mailto:info@craftcouncil.nl.ca))

**Payment must be received in full and ad content confirmed before the print deadline of April 1, 2022.**

No refunds after this date. Ads that are not paid in full by this date may be removed for the publication. The Craft Council of Newfoundland and Labrador is not responsible for errors or omissions discovered after this date.

☐ I agree to the terms and conditions of this application.

## **Further Information**

### **Signage**

Window decals and QR codes make the Digital Studio Guide participants more visible and consistent across the province. Most importantly, it makes your location easily identifiable for your visitors. For this reason, window decals and QR stickers will be made available to all Craft Council of Newfoundland and Labrador Member's who are participating in the Digital Studio Guide.
