Meet James

Meet Katie

Problem

Problem 1

Fear of rejection.

Problem 2

Are they
available/interested in
me?

Problem 3

Feelings of regret
from not trying

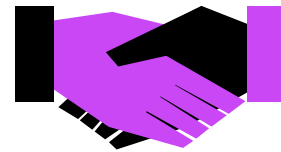

Solution

Solution 1

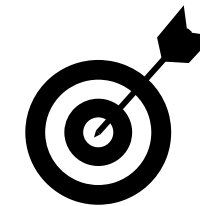

A location based dating app that shows users at the same location.

Lomeelive locations includes: restaurants, bars, clubs, coffee shop, libraries, beaches.....

Solution 2

Send likes to verify mutual interest

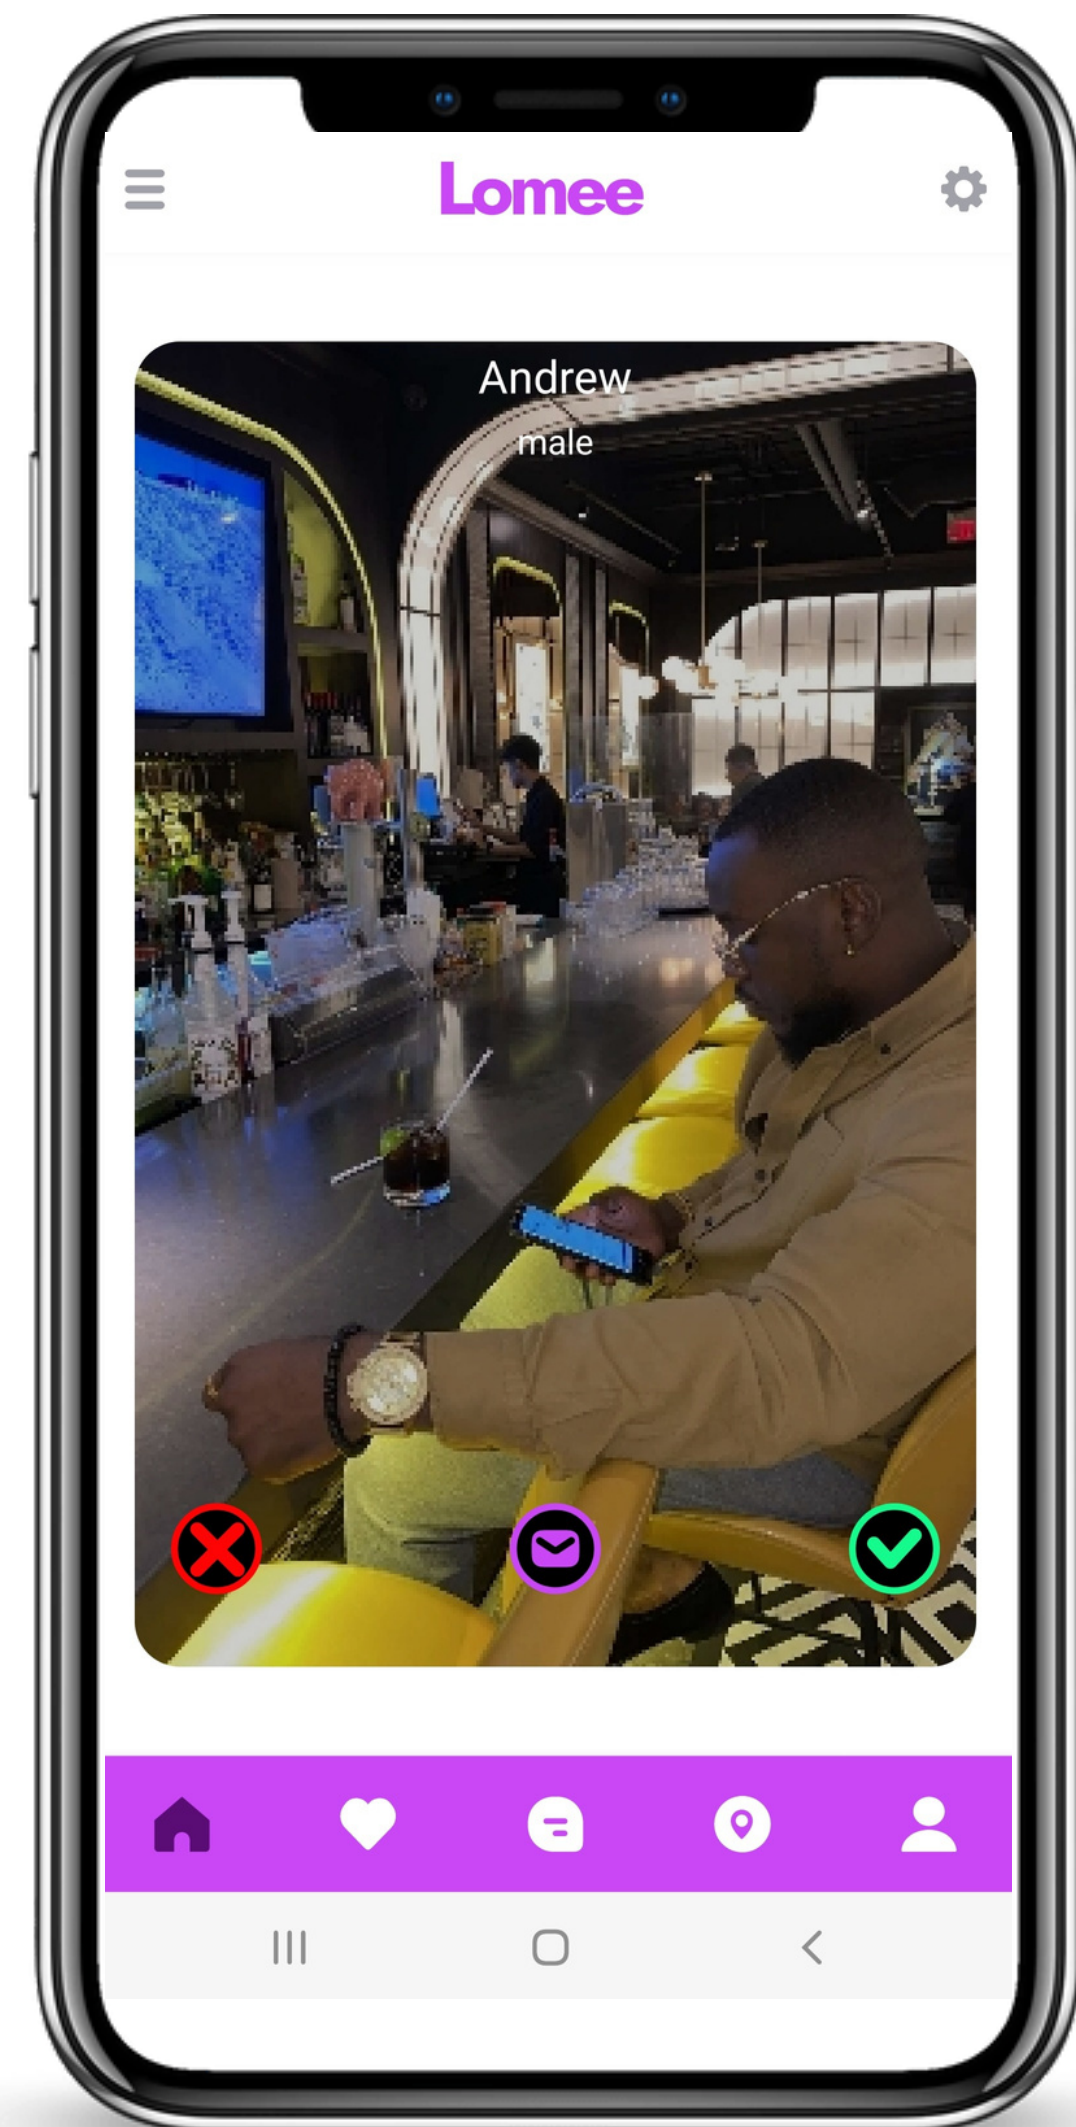

Solution 3

Chat before in-person introduction.

Product

Dating platform for people who have similar interests, facilitating in-person meetings

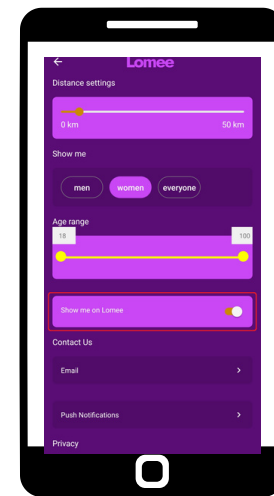

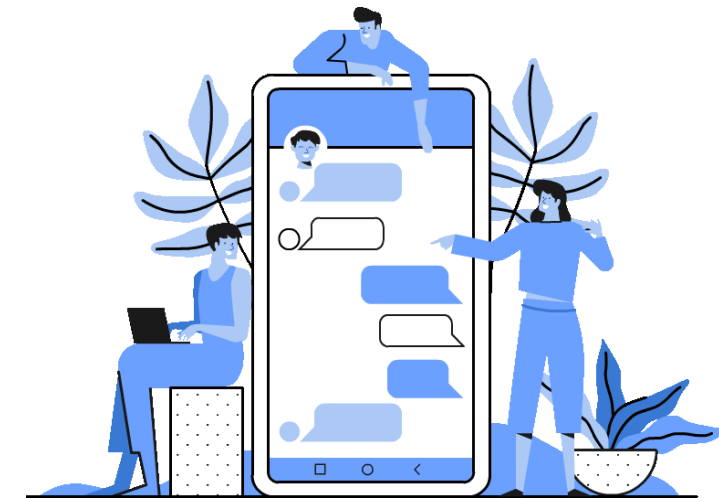

How it works

Go out and socialize in any Lomeelive "location".

Turn on Lomeelive and start matching

Utilize the chat function to start a conversation

Lomeelive locations includes: restaurants, bars, clubs, coffee shop, libraries, beaches.....
