Lesson 11 // LOVE CONNECTS

Video with- Kathleen Smith

Key Verse: John 4:28-29 (NLT)

"The woman left her water jar beside the well and ran back to the village, telling everyone, 'Come and see a man who told me everything I ever did! Could he possibly be the Messiah?'"

Questions:

1. Have you been intentionally avoiding instead of intentionally pursuing connection with God and others?
What has been keeping you from cultivating these relationships and how can you begin making that switch from avoiding to pursuing?
2. Just like the woman at the well, genuine encounters with God should create an *urgency* within us to bring others into this love. How has an encounter with God's love propelled you to act toward others?

Personal Application:

Identify people that you may struggle to connect with and/or any hardness or pain in your heart that is making it hard to connect with God and others. Ask God to give you a new revelation of His love and practical ways to actively pursue connection. Remember, genuine connection with God and others does not happen by accident, but by intentionally pursuing CONNECTION!
