Rehearsals start the week of August 31, 2020

Special Notes re: Fall Rehearsals

For at least the first six weeks of rehearsal, in-person rehearsals will be limited to no more than 15 students and no more than 1 hour. During this time, students in sections larger than 15 will alternate between attending in person and attending at home via Zoom. We will make those alternating small group assignments for sections larger than 12-15 students and will notify all families by email no later than Thursday, August 27 to let them know if they can attend in person each week or if they will alternate. Time between most rehearsals has been extended to 30 minutes to allow rehearsal spaces to be aired out and sanitized.

We hope to return to our regular rehearsal schedule in January provided circumstances permit, but will plan according to CDC and St. Louis County Board of Health guidelines.
