Experience

Graphic Designer and Illustrator 2015 - 2019

Crafted visual assets as a freelancer/contracted designer for a wide range of clientele, from emerging music acts to tech start-ups. Worked with clients to create a cohesive visual identity and communication for the brand.

Key Accomplishments: Designed a visual identity system for singer-songwriter Jack Willow Jr.'s rebrand and album debut; from CD packaging to single artwork animations and release show gig poster.

Session Musician/Songwriter 2015 - 2019

Performed and recorded in a plethora of musical settings, from indie-rock, folk and funk bands to Top 40 cover bands. Toured nationally with different music acts, playing various festivals and stages across the country.

Key Accomplishments: Appearing with Mipso at Merlefest 2017, touring with Matt Phillips & the Back Pocket in 2016 & 2018, touring with Hotline in 2016 and 2017, opening for The Shadowboxers in 2017.

Bicycle Mechanic, Bicycle Roots, Brooklyn NY 2018 - 2019

Built and repaired bicycles of all different types, from kids bikes to high-end racing machines.
