

Below is a complete list of companies that have received investment capital from Advantage Capital-related entities. The list does not cover the activities of our government-guaranteed lending operations, nor certain special-purpose investments made in connection with tax credit programs. It should not be assumed that recommendations made in the future will be profitable or will equal the performance of the securities highlighted herein or contained in any other information provided by Advantage Capital. Past performance is no guarantee of future results.

<u>Portfolio Company</u>	<u>Year of Initial Investment</u>
Access Mortgage Company, LLC	1994
Athena International, LLC	1994
