

COCOA PRESS

3D CHOCOLATE PRINTER

Cocoa Press is a 3D Chocolate Printer that creates a customized, easy to use, print on demand solution for all of your chocolate making needs.

By creating a new sensory experience, Cocoa Press takes custom chocolates to new places that are bound only by your creativity. With its sterile stainless steel robust system you can create high quality custom chocolate creations instantly in the temperature controlled enclosure.

HOW DOES IT WORK?

Design

Create your custom chocolates with 3D modelling.

Print

Send your design file to the 3D printer.

Eat

Enjoy your chocolate experience.
