

**Horizon Neuropsychological Services, LLC (HNS)** is seeking a creative, self-motivated, and well-qualified professional to join our growing private practice with multiple locations across the Colorado front range.

Our practice currently has 3 full-time neuropsychologists and 3 psychometrists (soon to be 4 neuropsychologists and 4 psychometrists in August), providing outpatient neuropsychological services throughout Colorado. We see patients across the life span for a broad range of neurological disorders, including neurodevelopmental disorders, acquired brain injuries, stroke, epilepsy, movement disorders, mild and major neurocognitive disorders, and psychiatric concerns. We offer services both in-person and via tele-health modalities. In addition to outpatient assessments, other clinical opportunities may include psychotherapy, cognitive rehabilitation, and/or inpatient consultation.

We currently have a full-time opening for one pediatric neuropsychologist for our Boulder office. This individual must have experience working with Autism Spectrum Disorder (or a desire to learn). The position would be available in September (flexible start date).

#### Minimum Qualifications:

Applicants must have completed:

- A doctoral degree (Ph.D./Psy.D.) in clinical psychology from an APA- or CPA-accredited program.
- An APA- or CPA-accredited internship.
- A 2-year formal postdoctoral fellowship in clinical neuropsychology.

### Preferred Qualifications:

- Applicants who are *eligible for board certification* through the American Board of Professional Psychology (ABPP) will be given priority.
- Those with interests and experience in *program development* and *training future neuropsychologists* are encouraged to apply.
- We highly value supportive relationships, creativity, and collaboration.
- Experience working with patients on the Autism Spectrum.

### Benefits

Providers at Horizon Neuropsychological Services, LLC (HNS) enjoy:

- \$120,000 base salary (bonus structure available).
- A flexible schedule.
- Psychometry support.
- Up to 8 weeks of vacation per year.
- A generous benefits package, including:
  - A simple IRA with 3% employer match.
  - First-class, employer supported health, vision, & dental insurance options.
- A \$3,000 annual continuing education stipend.

### Application

Interested applicants should:

- Send a cover letter and curriculum vitae to Meghan T. Lee, PhD at [lee@horizonneuro.com](mailto:lee@horizonneuro.com).
- Visit <https://horizonneuro.com> or contact us at (720) 242-7533 for additional information.
