

Southwest Direct Access

Flying Southwest? Let Etta check you in.

Travelers can book Southwest directly in Etta and access all the great Southwest features, including web-only fares, unused ticket tracking, and Etta Check-in Service.

Checking in is quick, convenient, and stress-free with Etta Check-in Service. You'll receive a proactive alert with a check-in link as soon as the check-in window opens. Just click on the link to check-in and let Etta do the rest.

Features
