

Etta + Cvent Meetings Management

Capture Your Meetings Travel Spend on Etta

When it comes to meetings management, the logistics of getting everyone to the right place at the right time can be overwhelming. That's why we teamed up with Cvent to deliver an integration that helps your business and your employees streamline the process.

After your employees and guests register for a meeting on Cvent, they are prompted to book their travel on Etta. From there, they are directed to Etta to book travel. The benefits of this streamlined process include time savings, cost savings, full visibility, and more.

Features

For Your Business

Visibility

Gain visibility and capture complete meetings and events spend.

Compliance

Increase of on-platform, on-time and in-policy bookings.

Duty of care

Know where your travelers are, even your non-profiled travelers.

Customization

Apply custom travel policies for meetings-related travel.

Savings

Increase use of negotiated suppliers and preferred payment options.

For Your Employees and Guests

Convenience

Employees and guests can book their travel immediately after registering for their meeting or event on Cvent – it's just one click away.

Meeting location and dates are pre-populated in Etta for fast booking.

Easy-to-Use

Eliminate the need of signing onto multiple platforms – with Etta + Cvent, your employees flow into Etta without any disruption.

Single Profile

Transient and meetings-related travel is captured in one profile.
