¹ Uber Black and Black SUV reservations made at least 2 hours in advance are backed by an on-time pickup guarantee. If your ride is late, defined as greater than 5 minutes past the scheduled pickup time, or if the driver does not show up, Uber will give you up to \$50 in Uber Cash. You can receive a maximum of 3 credits within 30 days. Uber doesn't guarantee that a driver will accept your ride request. Your ride is confirmed once you receive your driver details.
