

# Etta Mobile

By giving travelers the options they need right when they need them, Etta Mobile is always able to provide an easier path. Booking flights, hotels, and rental cars has never been easier, and on Etta Mobile, that's only where optimized corporate travel begins.

With Etta Mobile, travelers get Uber for Business with Etta, so they can request and reserve a ride while booking a flight. EcoCheck guides travelers to greener options to help lower your corporate carbon impact. And with Travel SafetyCheck, your team can stay safer and informed throughout a trip.

Etta Mobile meets Web Content Accessibility Guidelines (WCAG 2.0) level AA compliance, and also provides open integration with leading expense management platforms. That means Etta Mobile makes it easy to ensure compliance without compromising the traveler experience.

## Benefits

### Manage Bookings

Modify or cancel reservations on your own with your mobile device.

### Save Time

Book air, hotel, and car reservations in one transaction, anywhere, any time you're connected

### Stay Informed

Upcoming trip information and real-time flight notifications - it's all a tap away.

## Features

### Book and Manage

- Itinerary sync with calendar
- Full booking capabilities
- View itinerary details
- Offline access to itineraries
- Share itinerary

### Air

- Access to unused tickets
- Search for one-way, round-trip, and multi-city flights
- Select a seat
- Book low-cost carriers
- Push notifications for flight status

### Hotel

- Access to extensive hotel content and negotiated rates
- Tripadvisor ratings
- View hotel property photos and amenities

### Car Rental

Access to the car rental providers you know and love including Enterprise, Avis, and Budget.

### Designed for Everyone

With accessibility features like adjustable text size, a VoiceOver screen reader, and a clean, elegant design, Etta Mobile helps make travel easier for users with visual, hearing, cognitive, or motor impairments.

### Uber for Business with Etta

Only available on Etta Mobile, Uber for Business takes the work out of the trip by providing a way to request and reserve an Uber to the airport directly within the Etta app.

### EcoCheck

Are you looking for ways to lower your corporate carbon impact? By providing accurate emissions data directly within the booking flow, Etta Mobile and EcoCheck give you everything you need to make more sustainable travel decisions for flights, hotels, rental cars, and more.

### Delegate Booking

Reserve and manage travel for as many people you need with delegate booking. Etta Mobile provides a quick view of traveler activity from the same page, and allows for multiple delegates to manage travel for the entire team.

### Travel SafetyCheck

Etta Mobile comes with Travel SafetyCheck to make it easier than ever to travel safely. Travel SafetyCheck delivers detailed, up-to-date health and safety information for flights, rental cars, and even the area around your hotel.
