The participants will receive their TEAMCODE within 48 HRS after completing their payment successfully on the email address provided to PAYUMONEY/PAYPAL while completing the transaction.

SUBMISSION GUIDELINES

+ Activities/Space Requirements:

The design must respond to the peripatetic needs of a family of 4 members consisting of 2 adults and 2 children under the ages of 18 of any gender. Other than the transportation need, it must cater to basic requirements of sleeping, sitting, cooking, eating, washing/ bathing/defecating with minimal storage provided for, keeping in mind the following:

- In Mobile State: Maximum permissible covered area is 10 sq.mt with minimum corresponding volume, excluding the operational area required for driving/navigation and other technical/service needs.
- In Static State: Total covered area used for stretchability/expandability should not exceed 50% of 10 sq.mt (permissible covered area).

-In-Built State: Maximize flexibility and adaptability suited for multipurpose/overlapping human functions and activities.

+ Presentation:

The design idea must be composed and presented on ONE A1 (landscape) size format employing free-hand or digital presentation techniques such as doodles, sketches, diagrams, CAD drawings, 3D visualizations, model photographs etc. including a 250 words explanatory note explaining the proposal.

+ Language:

The text used shall be in English employing appropriate typeface/size to communicate legibly and pithily both on the drawings and the explanatory note.

+ Submission Format:

-The file to be uploaded in JPEG format via email to: submission@designxdesign.in with TEAMCODE as the subject of the email.

- Maximum file size to be 8MB with the title TeamCode.jpeg
