This tour really has it all!

## DAY 1

Mon 17th Oct

## Home - New Plymouth

If departing from Whanganui meet at the Whanganui Racecourse for an 8am departure, and head north into south Taranaki. The first stop will be at the informal and intimate **Hollard Gardens** where you have a chance to enjoy some of the huge variety of native and exotic plants, while enjoying a home baked morning tea.

We then head to the coast to travel the surf highway around the impressive Mount Taranaki. If time permits, we will duck off the beaten track to view the Cape Egmont Lighthouse before continuing around to encounter the mystery of **Pukeiti Gardens**. Here, we have a guided tour where you will be able to experience one of the world's largest and most diverse collections of rhododendrons and other exotics, creating an explosion of colour among lush, native rainforest and mountain streams. We have a lovely lunch organized at the Rainforest Eatery nestled in the heart of Pukeiti before continuing on our way.

Next stop is Port Taranaki where we are welcomed aboard Rescue III, a 1950's wooden rescue boat, at **Chaddy's Charters**. We head out to explore the coast to learn about the extensive history and visit New Zealand fur seals.

It is then into the CBD of New Plymouth to our great waterfront accommodation with panoramic views of the Tasman Sea. Overlooking Len Lye's Wind Wand and the Coastal Foreshore Walkway, this is the perfect place to stretch our legs before meeting for our first group dinner on site.

## DAY 2

Tues 18th Oct

## New Plymouth - Raglan

After a scrumptious breakfast, we continue our way up the coast passing through small settlements such as Urenui and over Mount Messenger to the beautiful little coastal settlement of **Tongapōrutu**. We will pass the colourful Kiwi-classic baches lining the river, and if conditions are right we will get to view the Three Sisters and the Elephant Rock.

From here, it is a short drive to Mokau which is situated at the mouth of the famous whitebaiting Mokau River. Here we will enjoy a whitebait morning tea locally caught before heading deep into the rolling hills of King Country.

Our next stop is the small village of Waitomo where we will enjoy lunch at the discovery centre before experiencing the magic of the **Waitomo Glowworms Caves**, one of NZ's best natural attractions. It is known for its extensive underground cave systems where thousands of glow-worms light up the Glowworm Caves, and we will be guided through part of the cave system which is an extremely educational experience.

Then we continue west towards the coast getting well off the beaten track until we reach the highlight of this scenic drive, **Mangapohue Natural Bridge**. It is a short walk through an impressive limestone gorge that passes underneath a 17m high natural arch which spans the Mangapohue Stream. It is all that remains of an ancient cave system, and well worth the little effort getting there.

Returning to more familiar roads we weave our way north around the Pirongia Forest Park and head out to the lively surf town of Raglan. This small town is both a surfing mecca and a dramatically scenic area of black sand coastline.

Upon arrival we head down to the harbour to board 'Wahinemoe', a purpose built catamaran, for a relaxing **Sunset Dinner Cruise**. As we enjoy our Fish & Chip meal we explore the harbours' hidden bays and get deep into the upper reaches of Whaingaroa (Raglan Harbour).

Back on dry land, it is a short drive to our accommodation to rest our heads for the night.

### DAY 3

Wed 19th Oct

## Raglan - Waiuku

Bags packed ready for another day of exploring we head to the spectacular 55-metre-high **Bridal Veil Falls**. It is an easy 10 minute walk through native bush, following the Pakoka River to two viewing platforms at the top, both providing stunning vistas and ample photo opportunities of the plunging white falls flanked by grey rock and green bush.

Heading north, we take the back roads up through Huntly and on to Mercer where we have a great lunch lined up. With tummies full we follow the mighty Waikato River to the mouth where it empties into the Tasman sea at Port Waikato. We head down to Sunset Beach to take in the beautiful surroundings before continuing north to the Āwhitu Peninsula which extends from the north from the mouth of the Waikato River to the entrance to Manukau Harbour.

Our next destination is the historical **Manukau Heads Lighthouse**, jutting out from the tip of the peninsula. With vast panoramas and sweeping

coastlines - the journey is as good as the destination. Here we take a tactile tour of the lighthouse, absorb the magnificent panorama, and take a walk through time with the tragic tale of the HMS Orpheus, New Zealand's worst shipwreck disaster.

We then venture back down the peninsula to Karioitahi Beach where we will be spending the night at the spectacular Castaway Resort situated on the wild coastal cliff tops. You will have time to stretch your legs along the beach before meeting for another great group dinner.

**Waiuku - Matakana**

After another hearty breakfast, it is just a short drive inland to the historic **Glenbrook Vintage Railway**, Which was founded in 1970 to preserve, rebuild, and operate the old Waiuku Branch Railway between Glenbrook and Waiuku. On the return journey to Glenbrook, the train will stop for 15 minutes at the Pukeoware Workshops for you to inspect the restoration projects and to get a closer look at the locomotive.

After this historic journey we continue north taking the western route around Auckland to Helensville. Here, we board the M.V. Kewpie Too vessel to cruise the mighty **Kaipara Harbour**. As we explore the largest harbour in the Southern Hemisphere, we will enjoy a picnic style lunch taking in the informative commentary and great views.

Fri 21st Oct

## Matakana – Manakau

This morning, we head out to a cafe for a delicious breakfast before meeting for our first adventure for the day.

We board the **Discovery River Cruise** leaving from the heart of Matakana. This boutique cruise is tailor-made for peak relaxation. Sit back, relax and learn from Captain Phil as he gives us an informative, amusing commentary on the way down the Matakana River, showcasing the history and tidal environment of mangroves, native bush and farmland. We turn around where the green of the upper fresh meets the vibrant blue water of Sandspit Basin.

We then head south for the short drive to Scott's Landing, nestled in the Mahurangi Harbour to board New Zealand's only **Oyster Farm tour** cruise. We cruise to the Historic G Browns Bay which is rich in history, as the first area oyster farming started in New Zealand. The bay still thrives with Oyster farms growing the popular Pacific Oyster species.

We will collect fresh oysters straight from the water, the skipper will teach you how to open them, while you have a go yourself. He will even cook some on the BBQ, or fresh of course, for those who would like to indulge.

After this great morning of cruising fantastic waterways, we head down into the beach-side town of Orewa where you will be given some free time to grab yourself some lunch, browse the shops, or relax on the beautiful beach.

Our final visit of the day allows us to stretch our legs and explore some of the 64 hectares of beautiful gardens and native forest at the **Auckland Botanic Gardens**. This will be self guided so you can see and do as much as you desire.

It is then a short drive to our accommodation for the night near the Manakau city centre which is where we also dine this evening.

You will then be taken out to enjoy the ultimate in luxury at **Zealong Tea Estate**, with their own unique blend of New Zealand hospitality. Widely regarded as a Waikato icon, Zealong Tea Estate is the only commercial tea estate in New Zealand, producing 100% organic award-winning tea, and a

## COVID - 19 cancellation policy for New Zealand travel

COVID - 19, has created uncertainty for us all, therefore for cancellations directly related to COVID - 19, we have updated our "normal cancellation" policy to the following:

If the New Zealand government imposes travel restrictions that impact our ability to deliver your booked tour before departure, our ideal preference would be to reschedule the tour when travel is permitted.

If this is not possible, passengers will receive a full credit, less any applicable airline or supplier cancellation fees that Take It Easy Tours has been charged.

If travel restrictions are imposed while on tour, we will seek credits on any unused portions on the itinerary from all suppliers. All applicable credits to be returned, will first be applied to any costs that have been incurred on our passenger's behalf. For example, if alternative accommodation or transportation has been required to repatriate the passenger to their home.

Any remaining refunds will be credited to the passenger for use for future bookings.

Passenger's personal situations will be considered on a case-by-case basis.
