IMPORTANT INFORMATION

This Product Disclosure Statement (PDS) is an important legal document that has been designed to help you get the most out of your policy.

Your insurance policy is a legal contract between you and us. The contract is based on the information you gave us when you applied for the insurance, and any subsequent information which you have supplied.

Your insurance policy is made up of:

- this PDS which sets out what is and what is not covered by this policy;
- the insurance certificate we provide with details of:
 - who is insured;
 - the cover(s) selected;
 - the period of insurance;
 - the respective sums insured and/or limits of liability;
 - excesses and other important information
 - how you pay premiums
 - how you declare the vehicles that require cover.

You should ensure that you read these documents carefully and keep them in a safe place. If you have any questions regarding this PDS or insurance certificate, please contact Insuret or your insurance broker.

Your insurance certificate indicates if your period of insurance is one month or one year. You are responsible for ensuring that your premiums are paid. If any premium remains unpaid for more than 14 days from the due date, any claim you make may not be paid.

Who is insured under this policy

The person(s) or organisation(s) that are covered by this policy are named as the Insured on the insurance certificate.

We will extend the policy to cover any other entities in which the Insured has a controlling interest, subject to the other entities carrying out the same or substantially the same Business as described on the insurance certificate.

In this policy, those person(s) or organisation(s) are referred to as 'you' or 'your'.

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty of disclosure under the *Insurance Contracts Act 1984*.

It is your responsibility to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Things you must tell us or do during the period of insurance

Under this policy, you must tell us and/or do certain things within a specific timeframe which are noted within this policy wording.

Additionally, if there are any changes to the answers to our questions which you disclosed at the commencement of this insurance policy, any subsequent endorsements, alterations or renewals, you must notify us of the change within 30 days. If you require a copy of the information that has been provided to us, please contact your broker or insurance advisor.

Your failure to notify us of the alterations of risk or changes that may increase the risk could result in us declining a claim and/or cancelling or avoiding the policy, except where we expressly allow alterations in risk in the relevant cover sections of the policy.

Significant features and benefits

This insurance product provides motor vehicle insurance for operators of fleets of motor vehicles in the mobility sector who rent or subscribe vehicles as a commercial operation. These types of fleets include but not limited to car rental, car sharing, ride sharing and subscription. You need to consider the type of insurance cover that suits your needs. The significant features and benefits of this policy are summarised below.

There are two types of cover to choose from:

Comprehensive Cover – protects you against loss or damage to your vehicle arising from accident, collision, theft, fire, storm or malicious damage. You will also be covered against claims made against you by another party as described in the Third Party Property Damage Cover section.

Third Party Property Damage Cover – protects you (and the hirer and any authorised driver) against legal liability arising from the use of your vehicle for claims made against you for damage caused to other people's property. It provides no cover for damage to your own vehicle.

Each section includes additional benefits which are described in this document.

How to apply for insurance

Complete our application/proposal form and forward it to your broker representative or Insuret. If your application is accepted, we will send an insurance certificate to your broker or you that sets out details of the insurance you have taken out.

Determining your premium

When you purchase your insurance, we tell you the premium you must pay and note it in your insurance certificate. To determine your premium, we consider factors such as the cover you want, the values and types of vehicles to be insured, the nature of use of the vehicles and the areas in which the vehicles are to be used. It also includes amounts that fulfil our obligations to pay any relevant compulsory government charges, taxes or levies (e.g. stamp duty and GST) for your insurance. We show these charges on your insurance certificate.

Premium rates may be changed but only on renewal of the policy or where there has been a change to the risk during the policy term.

Adjustments to your premium

The premium noted in your insurance certificate is based on the information you provide to us. The premium you must pay may be adjusted based on any changes you notify to us in accordance with your obligations set out under "Your Responsibilities", including the sections "Paying your premium", "Keep us up to date" and "Vehicle declaration requirements".

If your period of insurance is one year, the amount you must pay includes the amount noted in your insurance certificate plus any additional premium based on any changes you notify to us.

If your period of insurance is one month, the amount on your insurance certificate is an estimated premium. The final premium you must pay in respect of a month is the estimated premium for that month as adjusted by us based on any changes you notify to us.

Your excess(es)

If you make a claim under this insurance, you may have to pay an excess or multiple excesses and this is the amount you have to pay towards each claim. There are different types of excesses which may apply to you or the driver of your vehicle at the time of the claim and these are listed on your insurance certificate.

At our option your excess will be:

- paid by you to the repairer when you pick up your vehicle after it has been repaired;
- paid by you to us when we request it; or
- deducted from the amount we pay you.

We may agree to waive the requirement for you to pay the excess(es) under certain circumstances where:

- your vehicle is comprehensively insured; and
- we agree with you that another party is fully responsible for the damage to your vehicle; and
- the damage to your vehicle exceeds the basic excess; and
- you provide us with full contact details of the party who is responsible for the damage to your vehicle, including:
 - first and last name;
 - driver's licence number;
 - vehicle registration number;
 - residential/business address;
 - telephone number.

Cooling off period

If you decide that the cover provided by this policy does not meet your needs, for whatever reason, and you have not made a claim, you can cancel your policy within 21 days of the commencement or renewal of your insurance. You will receive a full refund of any premium paid, less any taxes or duties we cannot recover. If your period of insurance is one month, any premium refund will be reduced by any amount you must pay arising from adjustments in relation to any prior periods of insurance (refer to "Adjustments to your premium").

You can still cancel the policy at other times in accordance with the terms shown in the cancelling your insurance section of this PDS.

Canceling your insurance

How you may cancel

You can cancel your insurance at any time by calling us. We will explain the cancellation process to you. If you have paid an annual premium, we will refund any premium you have paid, less an amount that covers the period for which you were insured.

Cancellation will not affect your obligation to supply us with the information necessary to permit calculation of your premium (refer to the section "Vehicle declaration requirements" below) and to pay the amount of the premium applicable up to the date of cancellation.

The policy will be automatically cancelled when any premium amount, including an instalment of premium, has remained unpaid for a period of at least one month.

How we may cancel

We can cancel your insurance to the extent permitted by law, for example if you do not comply with the policy terms and conditions, fail to pay your premium, make a fraudulent claim or if you did not comply with your Duty of Disclosure or misrepresented information when you entered into this insurance contract. If we cancel your policy, we will send you a cancellation letter.

All person(s) or organisation(s) covered by the policy must comply with all conditions of this policy. If you do not comply with the policy conditions, we may reduce or refuse to pay a claim and cancel your policy to the extent permitted by law.

Paying your premium

You are responsible for ensuring that your premiums are paid and kept up to date or your cover could be put at risk. If any premium remains unpaid for more than 14 days from the due date, any claim you make may not be paid.

If you have not provided us with the information necessary to permit calculation of your premium (refer to the section "Vehicle declaration requirements" below) we may estimate the amount payable. You must pay any estimated premium by the due date as if it was based on a Vehicle declaration provided by you. We agree to adjust or correct any estimated premium after you provide the Vehicle declaration.

If you change your bank account or credit card details, you must contact us and tell us the new details. If your financial institution dishonours any payment because of lack of funds, you will be charged for any costs we incur arising from the payment being dishonoured.

Keep us up to date

During the period of insurance and at renewal you must tell us of any of the following changes:

- any change in the business activities carried on by you;
- details of any conversion or modification to your vehicle, including proof (such as an engineer's certificate) that the vehicle continues to satisfy the requirements to remain registered after the conversion or modification; or
- if you change your address, your vehicle, your vehicle's garaged postcode or the way you use your vehicle.

Taking care

This policy is not a maintenance policy and does not pay out to rectify or improve structural defects, faulty design or faulty workmanship, or to resolve issues that have occurred due to inadequate maintenance, gradual deterioration or general wear and tear, rust, corrosion, depreciation, or mechanical, structural, electrical or computer failures, malfunctions or non-performance.

You must take all reasonable care to prevent loss, damage or injury and you must comply with all laws and regulations for the safety, licensing, registration, use and storage of vehicles.

When not being driven, vehicles must be parked in a secure manner, left locked and with the keys removed from your vehicle and stored in a secure location away from your vehicle.

Other insurance

You must tell us about any other insurance policy that insures any risk insured by this policy and provide us with details of the other insurance.

Other party's interests

You must tell us of the interests of all parties (e.g. credit providers or other owners) who will be covered by this insurance. If a credit provider is noted on your insurance certificate as having an interest in your vehicle, and we agree to settle a claim on a cash basis, we have the option of making this payment to the credit provider in full or part settlement of the claim.

Except where expressly stated in the policy we will not insure the interests of any third party beneficiary unless you have notified us in writing of such interest, and we have agreed to record that interest in writing which will be shown on your insurance certificate.

All third party beneficiaries must comply with all terms and conditions of this policy.

Admitting liability

You must not admit guilt, fault or liability for an accident, or negotiate to pay or defend any claim without written consent.

Preventing our right of recovery

We will not cover you for loss, damage or liability if you have agreed not to seek compensation from another person who is liable to compensate you for any loss, damage or liability which is covered by this policy.

Keep proof of ownership and value

When you make a claim for loss or damage to property covered by this policy, we will require you to justify any amount claimed. We recommend that you keep records to make this task easier.

Vehicle declaration requirements

You are required to notify us of any vehicles that you have acquired, or disposed of, after the inception or renewal of your insurance.

If you are paying your premium monthly, You must provide fleet declarations to Us in our prescribed format and on the agreed dates as defined on your insurance certificate. Your declaration must clearly delineate the cover being required for each vehicle being either Comprehensive (comp) or Third Party Property Damage (tppd). Your monthly premium will be adjusted according to how you have declared your fleet to us.

If you have paid an annual premium you must notify us within 14 days from when the change has occurred and pay any additional premium that may be due.

There is no cover for newly acquired vehicles that we have not been advised of and not agreed to cover outside of the above stated periods.

In cases where you have acquired a new vehicle and your current policy consists of vehicles insured for Third Party Property Damage only, or a mix of Comprehensive and Third Party Property Damage, cover will be restricted to Third Party Property Damage only for the new vehicle until such time as you provide us with notification of the acquisition and we agree to insure the vehicle for Comprehensive cover.

Any claim payments made under this insurance will be based on GST inclusive costs, up to the relevant sum insured, market or agreed value or maximum amount that we pay. However, if you are or would be entitled to claim any input tax credits for the repair or replacement of insured property or for other things covered, we will reduce any claim under this insurance by the amount of such input tax credits.

- **Comprehensive cover:** Section 1 and Section 2 apply.

Your insurance certificate describes the cover type applicable to each vehicle insured.

SECTION 1 – LOSS OR DAMAGE TO YOUR VEHICLE

We cover the theft of your vehicle or damage caused to your vehicle resulting from an accident, caused by fire or storm, or malicious damage. Each comprehensively insured vehicle is covered up to the limit as defined on your insurance certificate as the “Monetary Limit”. Where you have added a vehicle to your policy with us and we have not confirmed back to you in writing that the Monetary Limit has been increased to accommodate such a vehicle, in the event of a total loss, the most that we will pay is the “Monetary Limit” noted on your insurance certificate.

You can claim for loss or damage to your vehicle if:

- your vehicle is insured for comprehensive cover;
- the event which causes the loss or damage happens during the period of insurance;
- the loss or damage occurs within Australia;
- the loss or damage is not excluded by any of the general exclusions;
- the loss or damage is not excluded by any endorsement.

We do not cover:

- damage to tyres caused by braking or by punctures, cuts or bursts;
- damage due to depreciation, wear and tear, rust or corrosion;

- structural, mechanical, electrical or computer breakdowns, failures or breakages;
- damage to any vehicle accessories other than those:
 - supplied by the manufacturer as part of the original vehicle;
 - stated within the definition of vehicle; or
 - accessories and modifications specified on your insurance certificate or as agreed to in writing during your period of cover or renewal.
- additional loss or damage to your vehicle caused after an accident, theft or breakdown unless you have taken reasonable steps to protect or safeguard it;
- loss or damage as a result of the lawful seizure of your vehicle.

ADDITIONAL BENEFITS – SECTION 1

The following additional benefits are payable or provided in addition to the sum insured for your vehicle if:

- *your vehicle has Comprehensive cover; and*
- *we agree to pay a claim for loss or damage to that vehicle under Section 1.*

Expedited settlement guarantee

If your vehicle is declared a total loss as a result of an accident, we agree to settle your claim within 21 days of receipt of all documentation supporting your claim. If we do not settle within this timeframe we will pay your next month’s finance or lease payment for the damaged vehicle.

This benefit is subject to your lodgement of all claim documentation, including but not limited to:

- a fully completed claim form;
- a copy of the registration certificate;
- a copy of the front and rear of the hire/rental agreement.

General average

We will pay any contributions you are obligated to pay towards any general average and salvage charges where maritime conditions apply to the transport of your vehicle by sea between places in Australia.

The most we will pay is the sum insured or market value of the affected vehicle(s).

Removal of debris

We will pay up to \$25,000 to cover costs incurred to clean up and remove your vehicle debris following an accident involving your vehicle.

Towing, storage & repatriation costs

We will pay the reasonable cost of removing your vehicle to the nearest repairer or safe and secure place after it is damaged in an accident or recovered after theft. This benefit is subject to applicable state/territory legislation governing towing costs and is capped at \$750 per event where the incident is within 50 kms of your nearest base or depot.

We will pay the reasonable costs of storing your vehicle for up to 7 days prior to your claim being lodged with Insuret. This benefit is capped \$250.

Once a claim is lodged with us, we will pay for the reasonable cost of storing your vehicle at the repairer's premises subject to us being made aware that the vehicle is incurring storage fees when the claim is lodged, this benefit is capped at \$750.

We will pay the reasonable cost of repatriating your vehicle to your nearest base or depot where the vehicle is located more than 50 kms from your nearest base or depot. We must approve this cost in advance and this benefit is capped at \$2,500 per event.

HOW WE SETTLE A CLAIM UNDER SECTION 1

If we agree to pay a claim under section 1, we will, following collaboration with you, pay you for a partial loss or a total loss.

TOTAL LOSS

Your vehicle is a total loss if it is stolen and not recovered after 14 days of you reporting the theft to us and we accept a claim for theft of your vehicle, or as a result of damage it is uneconomical or unsafe to repair.

Settlement will be based on the market value of your vehicle at the time of the loss, including the value of any accessories or modifications you have told us about and we have agreed to insure and which are noted on your insurance certificate, less any applicable excess(es) and ITC entitlement.

For vehicles less than 12 months old from the date of original registration that have travelled less than 40,000 kilometres, we agree to pay the equivalent of the replacement value for a new vehicle of the same or similar make and model, subject to the vehicle being available locally, up to the amount you paid originally for the damaged or stolen vehicle (including stamp duty and dealer delivery charges but excluding registration and insurance), less any insurance excess(es) and ITC.

If your vehicle is leased or financed and is declared a total loss and the vehicle is within 24 months of the date of first registration, we will payout the amount owing under the lease contract, less any applicable excess(es) and ITC entitlement. We will not pay any arrears or amounts which were overdue at the date of loss.

If your claim involves a payment by us for the total loss of your vehicle your insurance cover on that vehicle will cease as soon as we accept liability and if the premium for that vehicle has been fully paid there will be no refund. If there is a portion of the annual premium for the vehicle still owing to us at the time of the incident this outstanding amount will be deducted from the claim settlement.

After settling a claim where your vehicle has been declared a total loss, that vehicle including any unexpired registration or CTP, unless otherwise required by law, becomes ours and we are entitled to receive the proceeds from any salvage of the vehicle.

PARTIAL LOSS

Where your vehicle is a partial loss, we will, following collaboration with you, decide to:

- repair the damage;
- replace the damaged parts of your vehicle; or
- pay you what it would cost us to repair the damaged parts of your vehicle.

If we determine that your vehicle can be repaired, we will allow you to obtain a quote from a repairer of your choice.

When we authorise repairs, following collaboration with you, we will:

- authorise your vehicle to be repaired to a similar standard and condition as it was prior to the damage which is the subject of the claim. This authorisation will remain valid for 180 days from the date of original repair authorisation;
- authorise the use of new and used parts which are genuine or non-genuine and are consistent with the age and condition of your vehicle;
- replace damaged glass with glass which meets Australian design rules but may not be made by the original manufacturer;
- pay you the market value in respect of parts which we cannot obtain and or are obsolete;
- guarantee the quality of workmanship of the repairs we have authorised whilst you own the vehicle.

We are not responsible for any consequential costs or losses arising from any delay in obtaining/delivery of parts. If a part is not available within Australia we will pay the surface freight cost from a source of our choosing.

You may have to contribute towards:

- the cost of repairs or replacement where your vehicle was in poor condition at the time the loss occurred. Poor condition includes unrepaired prior damage, corrosion, wear and tear or other deterioration; or
- the cost of repair or replacement of tyres, engines and other perishable items based on the useful remaining life of the damaged part/item.

SECTION 2 – THIRD PARTY PROPERTY DAMAGE

We will cover your legal liability to pay compensation for accidental loss or damage to someone else's property arising out of an accident during the period of insurance where:

- you or and authorised driver are at fault; and
- the legal liability arises out of the use of your vehicle.

Cover for legal liability for property damage extends to include:

- actions of any non fare paying passenger travelling in your vehicle while getting into or out of your vehicle;
- damage caused by goods being carried on or falling from your vehicle.

We will not cover:

- any loss or damage caused by your unregistered vehicle however this exclusion will not apply if Your Vehicle being unregistered has not contributed to the claim;
- any claim arising from your vehicle, including any plant/equipment attached to your vehicle, being operated as a tool of trade, other than being driven on a public road;
- any goods, animals, or personal effects being transported within your vehicle;
- legal costs to defend criminal acts or fines for breaches of road traffic statutes;
- damage to property belonging to, or in the custody of; you or any relative or friend of yours ordinarily residing with you or with whom you ordinarily reside, your employees, the hirer or authorised driver including any relative, friend or associate of the hirer or authorised driver;
- any penalties, fines, punitive, exemplary or aggravated damages for which you are liable;
- your liability under any contract, or if you have agreed to, or accepted liability without our prior agreement unless you would have been liable irrespective of the terms of that contract.
