TELL ME ABOUT DRAMA TOTS?

Drama Tots uses roleplay, music and movement to take children on exciting adventures into the wonderful world of their imaginations. We use a fantastic range of props, puppets and instruments to bring each theme to life and our fun sessions are loved by children and grown-ups alike.

HOW WILL MY CHILD BENEFIT?

Watch as your child grows in confidence, creativity and self-esteem in a friendly and nurturing environment. Each session has been written to incorporate the framework of the Early Years Foundation Stage. We are passionate about children learning through dramatic play and at Drama Tots we love to learn whilst having oodles of fun!

OUR CLASSES

We offer 2 classes to enable the sessions to be tailored specifically to your child's developmental levels.
