

Where Performance Meets Prevention.

BUSTAPART™ FOOD GRADE

BustApart™ Food Grade is a premium, synthetic, food grade, non-drying thread sealant and anti-seize compound; formulated with a balanced blend of PTFE and other lubricating solids, homogenized into a non-melting grease carrier. It is NSF/U.S.D.A. H-1 *Registered and Kosher approved which gives full acceptability for use in all areas where incidental food contact may occur. It is engineered to provide a superior leak-proof seal for the life of the connection; while at the same time maintaining its anti-seize capabilities, allowing easy disassembly without thread damage. It does not contain any solvents, lead, graphite or clay fillers.

BustApart™ Food Grade is a dependable, quality sealant for threaded connections on lines carrying numerous types of liquids and gases including water, natural gas, LPG, etc. found in a wide variety of industries. Due to its outstanding anti-seize and lubricity characteristics, it protects threaded fasteners from seizing, even up to 1800°F and provides easy disassembly. It can be used on all brass, black iron, galvanized steel, stainless steel, aluminum, copper, PVC and fiberglass reinforced pipes.

HEALTH AND SAFETY

Based on available information, this product is not expected to produce adverse effects on health when used for the intended application and the recommendations provided in the Safety Data Sheet (SDS) are followed. SDS's are available upon request through your sales contract office, or via the Internet. This product should not be used for purposes other than its intended use.

If disposing of used product, take care to protect the environment. As with all cleaning and maintenance procedures, run-off from the cleaning or maintenance process should be diverted into a collection vessel and not allowed to soak into the ground or enter a storm sewer. If this product is spilled or contaminated and cannot be used, creating the need for disposal, wipe up or scrape up product and deposit in a sealable container. Thoroughly clean area with detergent solutions and rinse well with water.

WARNING!

Prolonged or repeated skin contact may cause irritation. Use protective wear to avoid eye and skin contact. Wash thoroughly after use. For skin contact, wash with soap and water. If swallowed, seek medical attention immediately. For eye contact, flush with water for 15 minutes and contact a physician. For additional information read the Safety Data Sheet for this product. **KEEP OUT OF REACH OF CHILDREN.**
