

## Keep Your Production Lines Running on Schedule with Echo's Manufacturing Solution

At Echo, we know manufacturing. Our expert team of logistics professionals understand every part of your supply chain, and our extensive capacity can handle any lane, any product, and any increase in your production. No matter what, Echo is there to keep you running on time.

### The Experienced Echo Team Is Dedicated to Service & Performance

- Full suite of multimodal transportation services tailored to your business's needs
- Logistics professionals with experience in the manufacturing industry can work with you outside your normal shipping areas
- Expertise in shipping both inbound to manufacturing plants and outbound to customers, distributors, and wholesalers
- Vendor relationship management including proactive issue resolution, optimal inbound carrier and mode selection, and multi-vendor consolidation
- Ability to handle spot, contract freight, surge needs, and end-of-month & end-of-quarter demands
- Roster of manufacturing clients (from small manufacturers to Fortune 500 companies)

### Our Proprietary Technology Delivers Crucial Visibility & Insight into Your Shipping

- Real-time shipment tracking through proprietary technology and integrations with MacroPoint
- Customized reporting on all shipment activity
- Account-specific online tools that provide insight into your supply chain
- Proactive communication and exception management resolution
- EDI and API data integration

### Our Extensive Carrier Network Provides Consistent Access to Capacity

- Network of over 40,000 carrier partners
- Wide variety of carrier options, including national trucking companies, regional carriers, private fleets, dedicated carriers, drayage carriers, team drivers, and single-truck owner-operators
- Expertise in expedited and just-in-time shipping
- Carriers hand-selected through a strict compliance process for proven ability to deliver the highest-quality and best-value service

When it comes to the manufacturing supply chain, Echo's size, scale, and commitment to consistent, quality service are what distinguish us from asset-based carriers and other 3PLs. Leverage our capacity, technology, and experience to simplify your transportation management.

Book your next manufacturing shipment with Echo.
