

## Keep your trucks moving with less market risk with Echo's Continuous Move Program (CMP)

Leverage Echo's expertise and vast client network to take advantage of a consistent revenue stream. Whether you are a small, medium, or large carrier, Echo's CMP is customized to fit your business needs and keep your trucks moving.

### Reduce Market Risk:

- Dedicate a portion of your fleet to Echo and we'll find loads to keep you on the road at a fixed weekly revenue
- Focus attention on other aspects of your business while we keep your trucks on the road
- Refrigerated and Dry Van programs are available

### Pay With Ease:

- Easy billing and reconciliation with help from Echo's CMP back-office team
- Access our most favorable payment terms via ACH
- Receive customized weekly statements

### Foster Driver Retention:

- Increase driver retention with guaranteed miles and weekly revenue
- Eliminate calls to multiple brokers to find loads with a single point of contact
- Have peace of mind with Echo support by your side 24/7
- Regular home time to get drivers recharged and back on the road

### Automatically find your next pickup

### Utilize Echo Technology & Rewards:

- Download the EchoDrive mobile app to reduce dispatcher tracking calls
- Get rewarded with EchoDrive Preferred as a Platinum member and enjoy industry leading payment terms, fuel and tire discounts, and more

Join Echo's Continuous Move Program to keep your trucks moving by letting Echo simplify your transportation.
