

Digital Freight Matching and Load Tracking

BOOK-IT-NOW®

Trucker Tools' Book-It-Now® feature allows you to directly compete with digital brokers. Book-It-Now® gives carriers the option to book loads directly through the Trucker Tools app, reducing the need to manually contact the broker. The tools helps you reduce time and money spent finding truckers for your loads.

Benefits of Book-It-Now®

- Helps streamline the booking process
- Drives broker efficiency
- Allow In-Network carriers to book loads without calls, emails or negotiation
- Control your margins, eliminate negotiations
